

ACKNOWLEDGEMENTS

First of all, I want to express my greatest gratitude to my research guide **Prof. (Mrs.) Krutika K. Sawant**, Pharmacy Department, Faculty of Technology and Engineering, The M. S. University of Baroda, who welcomed me with an open mind and provided me the opportunity to further strengthen my research education in her research group. I am very thankful for her outstanding professional and enthusiastic guidance and for giving me the freedom required for the success of this scientific project. Through all phases I always had the feeling to be in good hands with an overall encouragement. Thanks for this!

It gives me immense pleasure to express my heartfelt thanks to Prof. R.S.R Murthy, Prof. Ambikanandan Misra, Prof. R. Balaraman, Prof. S.H. Mishra, Prof. M. R. Yadav, Prof. (Mrs.) S. J. Rajput and Mr. S. P. Rathod, Pharmacy Department, M. S. University of Baroda, for their kind guidance and cooperation during this study.

My sincere thanks are due to the Dean, Faculty of Technology and Engineering, M. S. University of Baroda, Vadodara, for providing me with the necessary facilities required for my research work.

I wish to convey my sincere thanks to Dr. C.P.Puri, Director and Dr. Geetanjali Sachdeva, Scientist, Primate Biology Department, National Institute of Reproductive Research and Health (NIRRH), Mumbai for providing me the cell line study facilities and for their constant support and constructive suggestions throughout my studies at NIRRH. I thank Sheeba for her helping hand in carrying out the cell line studies. I thank Dr. Patole, NCCS, Pune for providing the cell lines.

I am thankful to Dr. Anil K. Mishra for allowing me to carry out radiolabeling and biodistribution studies at Institute of Nuclear Medicine & Allied Research (INMAS), Delhi. I am also thankful to Mrs. Krishna Chuttani for her guidance in carrying out these studies.

I express my heartfelt thanks to Govind and Kapil for always creating enthusiasm in completing my thesis.

Gift samples of Etoposide and Cytarabine by Biocon Ltd., Bangalore, PLGA by Boehringer Ingelheim Limited, Germany and Pluronic F-68 by Alembic Ltd, Vadodara is greatly acknowledged.

I would also like to thank to The Director, Sophisticated Analytical Instrumentation Facility (SAIF), Panjab University, Chandigarh for carrying out XRD studies and Alembic Ltd for carrying out DSC studies.

It would be remiss on my part if I don't acknowledge the help and support extended by my colleagues directly or indirectly at various stages of my work.

I express my sincere thanks to the entire non-teaching staff of Pharmacy Department, for their co.operation.

Thanks are also due to my friends and labmates, Sanjay sir, Sham, Munish, Tushar, Vipin, Ashutosh and Vijay Kulkarni for making this time memorable, with lots of cherished reminiscences to look at back.

My special thanks to Prof. H. S. Chandel, Rajiv Saxena and Anindiya Goswami for their immense patience and zeal in completing my thesis.

My heartfelt gratitude to my dearest Parents for their kind blessings and affection. No thanks would be enough to appreciate the moral support and constant inspiration shown by my Brother, Yashwant and Sister, Kailash and lots of unbound tender love by Nicky and Dea that I could complete my work without hassles.

Last and the most important I thank **Almighty** for the unlimited favors showered upon me.
