

## Acknowledgements

I would like to take this opportunity to offer my heartfelt thanks to a number of people without whose help and support this thesis would never have been possible.

In the first place I would like to express my deepest gratitude to my esteemed Supervisor, **Dr. (Mrs.) Krutika K. Sawant**, Professor of Pharmaceutics, for her supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences through out the work. Above all and the most needed, she provided me unflinching encouragement and support in various ways. Her truly scientific intuition has made her as a constant oasis of ideas and passions in science, which exceptionally inspire and enrich my growth as a student, a researcher and a scientist. I am indebted to her more than she knows.

I express my sincere thanks to Prof. R. Balaraman, Head, Pharmacy Department, for having provided me with the necessary laboratory facilities and congenial ambience.

I owe my deepest gratitude to Prof. R. S. R. Murthy, Prof. A N. Misra, Prof. S. H. Mishra, Prof. M. R. Yadav, Prof. (Mrs.) S. J. Rajput, Prof. (Mrs.) Rajani Giridhar and Dr. Rajashree Mashru for their valuable suggestions and help whenever sought for.

I am thankful to Dr. Anil K. Mishra for allowing me to carry out radiolabeling and pharmacokinetics studies at Institute of Nuclear Medicine & Allied Sciences (INMAS), Delhi. I am also thankful to Dr. (Mrs.) Rashi Mathur, Mr. Anil Babbar and Mrs. Ankur Kaul for their help in carrying out these studies.

Gift samples of Carvedilol by Torrent Research Centre, Ahmedabad; Nitrendipine by USV Limited, Mumbai and Chitosan by Ample Effect Sdn Bhd, Selangor (Malaysia) are duly acknowledged. I am also thankful to MIAT S.p.A. Milan, Italy and Associated Capsules Pvt. Ltd. (A member of ACG Worldwide), Mumbai for providing gift samples of MIAT<sup>®</sup> nasal monodose insufflator and hard gelatin capsules No. 3 respectively.

I would also like to thank to The Director, Sophisticated Analytical Instrumentation Facility (SAIF), Kochi for carrying out XRD, DSC and SEM studies. Electrical Research and Development Agency (ERDA), Makarpura, Baroda is also acknowledged for help rendered in carrying out DSC studies. I am thankful to the Head, Metallurgy Department, The M. S. University of Baroda and Dr. Vandana Rao for allowing me to carry out SEM studies at their lab.

I take this opportunity to express my thanks to non-teaching staff members at Pharmacy department, Kalabhavan and Pharmacy department, G. H. Patel Building for their kind cooperation.

Mr. Chandrakant Visawe, Histotechnician from Baroda Pathology lab, Baroda is highly acknowledged for sharing his expertise during histology studies.

I would also like to extend my appreciation to my colleagues and friends Munish, Anil sir, Pramod, Vijay sir, Sham, Khushwant, Sandip, Kailash, Bina madam, Heena, Atul, Hitendra, Kamal, Vijay, Tushar, Hamsraj, Sachin, Kaustubh, Raju, Florence, Prashant, Prudhvi and Yogesh for their advice and their willingness to share their bright thoughts with me, which were very fruitful for shaping up my ideas and research.

Fellowship in terms of QIP (Quality Improvement Programme) by AICTE (All India Council for Technical Education, New Delhi, India) is duly acknowledged.

Finally, I want to thank my parents, brother Dipak, wife Vaishali and my sweet daughter Gunjan for their never-ending love and support through the years and their encouragement and confidence in me.
