

LIST OF FIGURES

	<u>Between pages</u>
1. Location map	1-2
2. Geological map	(At the back of the thesis)
3. Sketch map, showing the fold pattern.	45-46
4. Structural Analysis	
A. Sketch map showing various sub areas	(At the back of the thesis)
B. Sketch map showing structural pattern	
C. Contoured diagrams.	
5. ACF diagram for amphibolites	102-103
6. Variation diagram for amphibolitic rocks.	102-103
7. Variation diagram for granitic rocks.	113-114
8. V. Wolff's diagram showing QLM values for granites.	114-115
9. Diagram based on variation in alkalies in granitic rocks (Mol. values) (Marmo).	114-115
10. Marmo's diagram for synkinematic origin of granites (Si-al values)	114-115
11. Map showing basic dykes	(At the back of the thesis)
12. Lateritic sections	147-148
