

ACKNOWLEDGEMENTS

The author wishes to express his grateful thanks to Professor S.S. Merh for guiding and supervising this study. But for his all round help and assistance, the author could not have completed the investigations.

The author is thankful to Dr.N.M. Vashi, Shri S.G. Patel, Dr. B.B. Jambusaria, Shri B. Roy and Shri D. Pal for helping the author in giving final shape to this thesis. Help from Shri B.M. Chauhan is also acknowledged. He actively assisted the author in preparing all the photographs.

His thanks are also due to Shri Puransingh Shopkeeper of Nathuakhan who very kindly offered all facilities including boarding and lodging to the author during his field work.

Lastly, the author would like to express his gratitude to the University Grants Commission for the award of the Research Fellowship.
