

## **ACKNOWLEDGEMENTS**

*Undertaking this PhD has been a true life-changing lesson for me which would not have been possible without the conducive environment created by people around me with their help and support. So, I would like to take this opportunity to thank them for their indispensable role in this journey.*

*First of all, with due respect, I thank my Guru, Guide **Late Prof. Ambikanandan Misra**, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda for his privileged guidance, suggestions and help in all possible aspects to make me achieve my goals. His immense experience and immeasurable knowledge showed me the way to make the work informative and exhaustive. His observations and comments helped me to establish the overall direction of the research and to move forward with investigation in depth. His constant encouragement, and appreciation kept me motivated throughout and helped me immensely in completing this report on time.*

*Destiny brought me under the guidance of extremely kind, understanding **Dr. Hetal P. Thakkar**. In a very short duration of time, she guided me to completion of my Ph.D. in a highly focused way. She has reviewed and constantly guided me throughout thesis and publication writing. Working under her guidance is a rich experience and inspiration for me to remember it forever.*

*I express hearty thankful to **my beloved parents and lovely sister Avani (Gho)** for their love, patience, and understanding as their support, encouragement and blessings helped me to pursue my interests and especially thankful to my Life, my Wife, my Love, my Life partner **Vidhi** for always being there for me. I hope with my hard work and dedication, I would be able to translate all their dreams into reality.*

*I am thankful to **Prof. (Mrs.) Krutika K. Sawant**, Dean and Head, Faculty of Pharmacy, The Maharaja Sayajirao University of Baroda for providing me the necessary facilities for the research work.*
