

I would like to thank Shri Piyush Khatri (Draftsman), Bhupesh.N. Pathak (Library Assistant) and other staffs of the Department of Archaeology, M.S.University of Baroda for their valuable help and support.

It will be unfair not to mention my dear friend Bhumika Patel and her mother Kushum Patel without whom I couldn't have completed this thesis. I am thankful to Shruti Tumare, Charusmita Gadekar and other friends.

I gratefully acknowledge the Indian Council for Historical Research (ICHR) for the financial support without which this research journey would have been a difficult one and also A.Thouba Meetei a junior Scientist, GIS Unit, New Secretariat, Manipur for his help.

Last but not the least I am deeply indebted to my mother and my dear husband for their unlimited help and support. This journey without them would have been impossible. They always brought out the best in me.
