

ACKNOWLEDGEMENT

I heartily feel obliged to my guide Dr. Geeta Padate, Associate Professor and Incharge Head of the Department of Zoology, The M. S. University of Baroda, Vadodara for her scholarly guidance, moral insight and profound humanistic belief which boosted me not only to endeavour or accomplish this research work but also to inculcate scientific vision and sense of gratitude towards madam.

I am also very much indebted to Hon'ble Sarkarsaheb Rawal, the Chairman, Hon'ble Jaikumarbhau Rawal (MLA), the Secretary and the Principal, Dr. N. O. Girase of S.V.S's Arts and Science College, Dondaicha, who encouraged me to accomplish my work through their Competant moral support, timely suggestions and accessible facilitation.

I must mention the names of Prof. A. V. Ramachandran (Rtd.), Ex. Dean, Faculty of Science and Head of the Department of Zoology and Late Prof. M. V. Asnani, heartily thank them for motivating me for this attainment.

I spare my special sense of gratitude for Dr. Bharambe Dinesh, Applied Chemistry, Faculty of Technology and Engineering, The M. S. University Baroda and Dr. Kishore Rajput, Department of Botany, The M. S. University Baroda. They gave a concrete shape to my endeavours regarding this research.

It is essential for me to keep my special thanks to Associate Prof. J. V. Patil and Assistant Prof. M. G. Mahajan of S.V.S's Arts and Science College,

Dondaicha, whose able academic company produced a power in me to accomplish this work.

It is a crucial moment to express my sense of gratitude to Principal, Dr. S. N. Nandan, S.S.V.P.S's Science College, Dhule, Dr. S. R. Mahajan and Dr. J. P. Sarwade for their timely and valuable help for my research.

I enlarge my sense of thanks to Dr. S. G. Patil, Dr. P. D. Rane, Dr. A. K. Subryamanian and Dr. S. S. Talmale, Scientists, Zoological Survey of India, Pune, for guideline in identification of planktons.

I am zealous to express my thanks to Dr. Sonal, Dr. Jagruti, Miss Nirjara Gandhi, Miss Chandani Patel and Miss Sandhya whose inspiration and Perusal in reading of my thesis helped me lot.

I must refer here the names of Mr. V.S. Vaidya, Dr. S. S. Rajput, Mr. K. D. Girase, Mr. P. Z. Zambre, Mr. R. K. Chaudhari, Mr. K.K. Kapadne, Mr. P.B. Ahirrao, Mr. V. S. Patel and Mr. S. P. Patil, all Associate professors and Mr. Sham Bhavsar, B. B. Girase and Mr. M. R. Girase of S. V. S's Arts and Science College, Dondaicha whose strong support, timely help, consistent inspiration lead me to accomplish the work within a short span of time.

I thank all my colleagues, non-teaching staff of S.V.S's Arts and Science College, Dondaicha and friends for their encouragement, kindness and constant help.

I thanks to Sau. Subhadha Patil and Sau. Vaishali Mahajan for sparing time and caring during my research work

I am also thankful to Prof. P.V. Patel and Dr. P.C. Mankodi and all the teaching and nonteaching staff members of Department of Zoology, The M. S. University of Baroda for their encouragement, support and timely help whenever required.

I am also thankful to my friends Mr. Harish Talele, Mr. Rajesh and Mr. Hemant for their kind cooperation during my research work. I am thankful to Mr. Yuvraj Magade who edited the photographs nicely and Mr. Parimal Patel who made formatting and setup of the thesis.

Finally, I record a deep sense of gratitude for my parents, my wife Sau.Varsha and my sons Chi. Parag and Kaiwallya whose support, tolerance and Love made me work out the task easily.

(Ashok Ekhande)
