

ACKNOWLEDGEMENTS

Any accomplishment requires the effort of many people and this work is not different. It gives me immense pleasure to express my heartfelt thanks to all those who have directly or indirectly contributed to make this work a success. I will always be grateful to the God for enabling me to do whatever I could in all these years towards completion of this work.

With all humility and reverence, I sincerely express my deep sense of gratitude and thanks to my esteemed guide Dr. (Ms.) Rajshree C. Mashru, Senior Lecture, Pharmaceutical Quality Assurance, Pharmacy Department, for her invaluable guidance, expert suggestions, immense patience and kindness to guide and supervise my work through out the course. She has been a constant source of inspiring guidance, thought provoking ideas, and this dissertation is a result of her rational and meaningful thinking.

Financial support from the University Grants Commision (F.10-12/2002 (SA-II)), New Delhi, India is gratefully acknowledged.

I offer my humble thanks to Dr. (Mrs.) S. J. Rajput, Reader, Pharmaceutical Quality Assurance, Pharmacy Department, for her moral support and useful guidance which helped me through out the course.

I wish my sincere thanks to Prof. A. N. Misra, Professor and Head of the Pharmacy Department, and to Prof. M. R. Yadav, Coordinator, G. H. Patel Building, Pharmacy Department for extending all the facilities during the present study.

No words can express my gratefulness to Dr. R. S. R. Murthy, Professor of Pharmaceutics; Dr. S. H. Mishra, Professor of Pharmacognosy; Dr. R. Balraman,

Professor of Pharmacology; Dr. (Mrs.) K. K. Sawant, Reader of Pharmaceutics; Dr. P. A. Nagar; Mr. S. P. Rathod; Dr. (Mrs.) R. Giridhar; Dr. (Mrs.) Vandana Patel for their valuable suggestions during the research work,

I would like to place on my record, my special thanks to Mr. Vijay Sutariya with whom I discussed the points of direct relevance and interest. During the course to study he was just like my younger brother and always cheerful and funny. I express my heartfelt thanks to him for his kind help, co-operation and keen interest in work. I would like to acknowledge Mr. Yogesh Rane for being my colleague to discuss most theoretical aspects and particularly for his help in advanced computer skills.

I express my heartfelt thanks to Mr. K. D. Patel, Managing Director, Relax Pharmaceuticals, Vadodara, for his continuous support and special interest in our study by sponsoring some of the analytical testing facilities at commercial testing laboratory. I owe special gratitude to Mr. Gaurang Oza, Vaibhav Analytical Services Ltd., Ahmedabad, for providing FTIR facility. Also I am grateful to SPARC (Sun Pharma Advance Research Center, Vadodara) for allowing me to utilize their library facilities.

A note of this kind cannot end without a word of appreciation and thankfulness to my colleagues Priti Parikh, Samir Patel, Ashutosh Pathak, Punit Shah, Adhvait Dixit, Mr. Nagraj, Jayesh Majithiya, Rita Majithiya, Arvind Parmar, Pranav Shah, Manish Umrethiya, Viral Jogani, Dr. Jaytirtha, Manan Raval, Rishit Zalawadiya, Hetal Prajapati for their cheerful company, many helpful discussions and affection during the work. I am also grateful to all my coworkers in Pharmacy Department and other everyone who have helped me in some way other in the fulfillment of this work,

Adequate words are not found to express my gratitude for the love, encouragement and help rendered to me by my Parents and Brother (Vikas) for their enormous patience they put forth during my study. It was moral support and constant motivation by my

beloved father which encouraged me in completing my research work successfully. I am also indebted to my parents-in-law and brother-in-law for their social and moral support.

How can I forget my wife, Jolly, for being always with me for constant inspiration and constructive discussion as a colleague and as a friend. A shining light, she accompanied me through days of intense frustration and shared in my happiness in academic as well as personal life.

Above all, I thank God for giving me the strength, perseverance and opportunity to carry out this work to the best of my ability.

Finally it is inevitable in this project, that omissions, occasional errors and lapses in the accuracy of interpretations might have escaped detection. I hope that any mistakes are minor and minimum and I accept the full and exclusive responsibility for them.

Mayur G. Sankalia
