

ACKNOWLEDGEMENT

I wish to express my immense gratitude to Dr. A. S. Patel, Professor, Civil Engineering Department, M. S. University of Baroda, Vadodara for his guidance, incisive analysis, encouragement and constructive criticisms throughout this research work. It was indeed unique opportunity and pleasure for me to work under his supervision.

I am grateful to Mr. B. K. Singhala, Member Secretary, GWSSB, Gandhinagar; Mr. J. K. Patel, Chief Engineer, GWSSB, Rajkot; Dr. D. G. Faldu, Ex. Director, Agricultural Department; Mr. T. P. Singh, Director, BISAG, Gandhinagar; Mr. J. P. Raval, Geohydrologist and Research Officer, GWRDC, Gandhinagar; Mr. N.C.V.N. Chakravarti, Geo-Physicists, GWRDC, Gandhinagar; Mr. Shrinivasan, Geo-hydrologist, GWRDC, Rajkot; Mr. H. U. Kalyani, Superintending Engineer, Rajkot Irrigation Circle, Rajkot; Mr. Prakash Santwaani, Mr. B. H. Modi and Mr. U. V. Surti, Mr. Manmohansingh, GERI, Vadodara for providing valuable data and moral support.

I am greatly thankful to my family members for their enduring encouragement and support during the course of research work and preparation of thesis.

I would also like to thank all those who have helped me directly or indirectly during my research work.

(M. S. Patel)
