

## **ACKNOWLEDGEMENT**

---

I would like to express my gratitude to all those people whose motivation and support made it possible to complete this doctoral research.

It is difficult to overstate my gratitude to my guide Prof. Shubhada Kanani. Her perpetual energy and enthusiasm in research have immensely motivated me. Her wide knowledge and deep observations helped me to see things in perspective and provided the support required to successfully carry out this extensive field based research. Her stimulating suggestions and encouragement helped me throughout the research and during writing of this thesis.

I would like to thank Prof. Pallavi Mehta, Head of the Department of Foods and Nutrition; for providing the necessary facilities to carry out this research.

I am grateful to the M.S. University of Baroda for providing me the Ph.D. research scholarship.

My sincere thanks to the Deepak Charitable Trust, Vadodara, for their interest in the research topic and extending support with regard to the involvement of the *bachat mandals* functioning under them. My sincere and heartfelt thanks are due to the *bachat mandal* members who volunteered as change agents in this research as well as the families of the children, without whose cooperation, this study would not have been possible.

I am very thankful to Mrs. Smita Maniar for her timely help in statistical analysis and readily solving Epi-info doubts despite her busy work schedule.

Warm thanks to my buddies and colleagues for being my support in the department; Meghana's company made data collection and data entry easier and fun; Aditi with her motivating smile was always ready with her suggestions. To my dear friends Venu,

Trusha, Radhika, Pallak and Arti thank you for being there, cheering me up in stressful times and boosting my confidence. Thanks to Panam di for her motivation.

My deepest gratitude goes to my parents, for their unflagging love, support and inspiration for hard work throughout my life. This dissertation would be simply impossible without them. For this and much more, I am forever in their debt. I owe my loving thanks to my brother Tarun and bhabhi Mayura for their love and encouragement.

I thank my mother-in-law with all my heart for being so supportive, caring and understanding.

Lastly, and most importantly, my loving thanks to my husband Sauveer who has also been my true friend. Without his everlasting love, encouragement, constant support and patience it would have been impossible to achieve my goal.
