SECTION IV

Factors Influencing Migration Decision

Please state to what extent the following factors influenced you and your family while taking decision to migrate to Delhi:

	To great extent	To some extent	To no extent
A. Social Factors			
1. The freedom from rigid and old customs/norms at the place of migration motivated your family to leave the place.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. The desire of acquiring better social status has motivated to come to this place.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. You migrated because your other relative/friend stay here at the place of migration.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. There was much social inequality at your place of origin from which you wanted to get away.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. You did not want to work in your traditional/family occupation so your family migrated.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Your family wanted to change its life pattern which could be done only if it migrated.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. Your family member/s wanted to get away from domestic problems within family at the place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. Existence of communal problems was the cause to move here.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9. Your family left the place of origin because they got bored with the place.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10. Your family migrated because it felt ignored/neglected by the community or other family members at the place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
11. You had to migrate because that place used to give feeling of insecurity to your family.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

B. Physical Factors

	To great exent	To some extent	To no extent
1. Your family left the place because the place was prone to natural calamities like floods, droughts or famines.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. Your family migrated because this place has no problem of pollution or smoke/offensive odour.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. There was acute water problem in the place where you lived.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. You expected that this place would not have climatic problems which you faced at your place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. This place has better health and sanitation facilities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. The place has various utilities such as water supply, electricity supply and transport.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. The place has better educational facilities and opportunities.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

C. Demographic Factors

1. The over crowdedness in the house due to increase in the size of your family pushed your family to migrate.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. In nuclear family system, the responsibilities decreases and freedom increases hence you wanted to migrate.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Your family member/s did not want to /could not take care of old and/or sick family members at the place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. The number of family members had increased causing greater demand on limited resources so your family thought to break away from that large family to obtain more resources available in the city.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. The dependency burden (more non working people to be maintained by few earning members) was more at your place of origin which made your family to move out from there.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. Your family expected to get a better house in the city.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. Children had grown up and house at place of origin was small.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

- | | To great
exent | To some
extent | To no
extent |
|---|--------------------------|--------------------------|--------------------------|
| 8. You wanted to stay in nuclear family than in joint family of your origin which could be done only if you migrated. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 9. The need for privacy and unavailability of space in your house was the reason to migrate. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

| 3. Your family migrated to this place because of the unavailability of the good and/or higher education for children and/or family members. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Presence of few recreational activities was the cause of your family to migrate. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. In Delhi, people from different parts of country are living, your family was attracted towards it and migrated. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Your family did not like the life style of people living at the place of origin so you migrated. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Since your family had some friend/relative at Delhi which could extend the support, you thought to migrate. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

E. Communication Factors

- | | | | |
|--|--------------------------|--------------------------|--------------------------|
| 1. The serials and movies in the T.V. attracted your family to move away from the life of your place of origin. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. The magazines/newspaper made your family aware of the city life. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. It was through the newspaper that your family came to know about the job opportunities in the city and so you migrated. | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. The place of origin was not very far off from Delhi so your family thought that even if you migrate, it will not be difficult | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |

	To great extent	To some extent	To no extent
for you to keep contact with your relatives at the place of origin.			
5. This place has better communication network of telephone, courier service, fax, etc.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. The kind of education/degree you or your spouse or any other family member has, cannot get you a job at the place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

F. Economic Factors

1. Your family moved to the city because it offers good employment opportunity.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
2. The similar job in Delhi can earn your family members higher wages or salary in comparison to the place of origin.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
3. Job security was the prime factor to move to the city.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
4. Your family has come to this place because job satisfaction was your prime concern.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
5. Indebtedness at the place of origin is the cause of your family's immigration.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
6. The kind of business or job your family wanted to engage in, was only be available in Delhi.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
7. Your family lost its property / business/job or house at the place of origin so it migrated here.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
8. The land /assets /business /job was not giving satisfactory return of your efforts put in.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
9. The income that your family was receiving at the place of origin was not enough to meet the expenditure of your family so you thought of searching job which would fetch you more income at Delhi.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
10. Your family migrated because it wanted to fullfil the wants/ desires of the family members in a better way.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	To great extent	To some extent	To no extent
11 The scarcity of the resources in the house to fullfil various demands motivated your family to migrate.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
