

List of Publications and Presentations :

1. T.V.L.N. Rao, A. Selvapandian, B.G. Jaisani and P.N. Bhatt, 1991. Genetic Analysis of tobacco plants regenerated from cell lines resistant to the culture filtrate of Fusarium oxysporum F.sp. Nicotianae Butler. Plant Science. (Communicated).
2. T.V.L.N. Rao, A. Selvapandian, P.N. Bhatt, 1989. Somatic cell genetical approach for breeding disease resistant tobacco to Fusarium wilt, XII Annual conference of Plant cell and Tissue culture, North-Hill University, Shillong.
3. P.N. Bhatt, D.P. Bhatt and T.V.L.N. Rao, 1989. Strategies to produce disease resistant plants by Tissue culture technique at Unicorn Biotek Ltd. In Acadamia Industry interaction in Agri Biotechnology Dec. 1, 1989, IIS, Bangalore.
4. T.V.L.N. Rao, A. Selvapandian and P.N. Bhatt, 1991. Genetic Analysis of tobacco plants regenerated from cell lines resistant to the culture filtrate of Fusarium oxysporum. At National Symposium on Genetics and Biotechnology for crop improvement, University of Hyderabad.
