

ACKNOWLEDGEMENTS

An accomplishment of any research work is not only an outcome of exclusive efforts of an individual alone, but of also the co-operation offered by many people in their various academic pursuits. In view of the same, I take this opportunity to acknowledge their co-operation extended to me in completion of the present study, on "India's Exports: An Analysis of Price, Quantity and Structure".

I express my deep sense of gratitude to Professor M.M. Dadi, Head, Department of Economics, Faculty of Arts, M.S. University of Baroda, under whose guidance the present empirical study has been initiated and accomplished. However, I must confess that inspite of his busy schedule, he gladly spared his precious time at each and every stage of the present work and provided an invaluable guidance. Indeed, I owe a great deal to him for his unending and vigilant guidance to me.

I am equally, grateful to Professor V.N. Kothari, Professor of Economics, Department of Economics, Faculty of Arts, M.S. University of Baroda, for his invaluable suggestions and critical comments offered, so as to improvise the present study as regards, the relevent theoretical and empirical issues.

My thanks are also due to my colleagues, Professor N.M. Pandya, Professor of Economics and Dr.[Miss] B.S. Kantawala, Reader in Economics, for the discussion with whom, I have been benefitted a great deal.

I am also, thankful to Professor D.S. Pathak, Professor of Business Economics, Faculty of Commerce, M.S. University of Baroda, for his invaluable suggestions and comments with reference to an improvisation of the methodology of the present work. However, the responsibility of any error or omissions is of mine only.

I am also grateful to the staff members of Smt. Hansa Mehta Library (University Library), M.S. University of Baroda for providing me all types of library facilities.

I am also obliged to Indian Institute of Management Library, Ahmedabad, and Shri Bhaikaka Library, Sardar Patel University, Vallabh Vidyanagar, for lending me books and journals on inter-library loan scheme during the process of my work.

I am thankful to Shri Vinod K. Padaria, Word Processor Operator - cum - Technical Assistant, Shri B.C. Patel, Statistical Assistant & Shri V.M. Bhatt, Research Investigator, Department of Economics, Faculty of Arts, M.S. University of

Baroda, for their statistical assistance most efficiently rendered to me, without whose help this work could not have been completed in time.

I express my deep sense of gratitude to Shri Jashmin Zaveri for carrying out an extremely strenuous task of typing my Ph.D. Thesis to the best of his ability.

I am also thankful to my brother, Dr. D.R. Joshi, Teaching Assistant, Department of Applied Physics, Faculty of Technology & Engineering, M.S. University of Baroda for his unending help and encouragement extended to me at each and every stage of my work.

Finally, I would like to express my deep feelings of gratitude to my parents, Shri R.S. Joshi and Smt. J.R. Joshi and my wife, Smt. Daxa P. Joshi, who have all along been an unending source of inspiration, encouragement and enthusiasm. Indeed, I cannot adequately express in words that I owe to all of them.
