

ACKNOWLEDGEMENT

In the preparation of this thesis, I had the unique privilege of working under the supervision and guidance of Dr D.N.Nayak, Associate Professor of Economics, M.S. University. It is, indeed, my most humble duty to record my thanks and deep sense of gratitude to Dr. D.N.Nayak for his painstaking supervision and guidance.

I take this opportunity to record my thanks to all the authors whose writings I have referred in the preparation of this thesis.

I shall be failing in my duty if I do not mention the affection and inspiration of my father, Shri Gopal Krishan Kumra and to my mother Smt. Radha Kumra.

Finally, but not least important, I would like to thank my wife Ritu, daughter Ajisha and son Ishan, for their constant support and encouragement.

Akash Kumra
