

## LIST OF TABLES

|      | TITLE  | PAGE<br>NO. |
|------|--|-------------|
| 4.1  | Selected State Wise Compound Growth Rate (Absolute) Of All Industries For Selected Variables For Overall Period in pre and post Reform period                      | 85          |
| 4.2  | Selected State Wise Compound Growth Rate (Absolute) Of All Industries For Selected Variables in Pre And Post Reform Period   | 86          |
| 4.3  | Selected State Wise Compound Growth Rate (Percentage share) Of All Industries For Selected Variables Overall Period in pre and post Reform period                  | 87          |
| 4.4  | Selected State Wise Compound Growth Rate (Percentage share) Of All Industries For Selected Variables in Pre And Post Reform Period                                 | 88          |
| 4.5  | Selected State Wise Instability Index Value (Absolute) Of All Industries For Selected Variables- Overall Period in Pre And Post Reform Period                      | 90          |
| 4.6  | Selected State Wise Instability Index Value (Absolute) Of All Industries For Selected Variables – Pre And Post Reform Period                                       | 91          |
| 4.7  | Selected State Wise Instability Index Value (Percentage share) Of All Industries For Selected Variables –Overall Period in Pre And Post Reform Period              | 93          |
| 4.8  | Selected State Wise Instability Index Value (Percentage share) Of All Industries For Selected Variables –Pre And Post Reform Period                                | 94          |
| 4.9  | Group wise Workers Employed in Factories in the State of Gujarat   | 95          |
| 4.10 | Group wise Working Factories in the State of Gujarat   | 96          |
| 4.11 | Compound Growth Rate (Absolute) Of Working Factories And Workers Employed In Working Factories In Gujarat –Overall Period in Pre And Post Reform Period            | 97          |
| 4.12 | Compound Growth Rate (Percentage share) of Working Factories And Workers Employed In Working Factories In Gujarat –Overall Period in Pre And Post Reform Period    | 99          |
| 4.13 | Compound Growth Rate (Absolute) of Working Factories And Workers Employed In Working Factories In Gujarat-Pre And Post Reform Period                               | 100         |
| 4.14 | Compound Growth Rate (Percentage share) Of Working Factories And Workers Employed In working Factories In Gujarat –Pre And Post Reform Period                      | 102         |
| 4.15 | Instability Index Value (Absolute) Of Working Factories And Workers Employed In Working Factories In Gujarat- Overall Period in Pre And Post Reform Period         | 103         |
| 4.16 | Instability Index Value (Percentage share) Of Working Factories And Workers Employed In Working Factories In Gujarat- Overall Period in Pre And Post Reform Period | 104         |
| 4.17 | Instability Index Value (Absolute) Of Working Factories And Workers Employed In Working Factories In Gujarat- Pre And Post Reform Period                           | 105         |
| 4.18 | Instability Index Value (Absolute) Of Working Factories And Workers Employed In Working Factories In Gujarat- Pre And Post Reform Period                           | 106         |

|      |   |            |
|------|---|------------|
| 5.1  | <b>Selected Characteristics of Registered Manufacturing in Gujarat</b>  | <b>117</b> |
| 5.2  | <b>District wise Number of Registered SSI in the State of Gujarat</b>   | <b>118</b> |
| 5.3  | <b>District wise Compound Growth Rate (Absolute) of Working Factories And Workers Employed In Working Factories In Gujarat From 1990-91 To 2009-10</b>      | <b>121</b> |
| 5.4  | <b>District wise Compound Growth Rate (Percentage) of Working Factories And Workers Employed In Working Factories In Gujarat From 1990-91 To 2009-10</b>    | <b>122</b> |
| 5.5  | <b>District wise Compound Growth Rate (Absolute) Of Industrial And Total Electricity Consumption In Gujarat From 2000-01 To 2009-10</b>                     | <b>123</b> |
| 5.6  | <b>District wise Compound Growth Rate (Percentage) Of Industrial And Total Electricity Consumption In Gujarat From 2000-01 To 2009-10</b>                   | <b>124</b> |
| 5.7  | <b>District wise Instability Index Value (Absolute) Of Working Factories And Workers Employed In Working Factories In Gujarat From 1990-91 To 2009-10</b>   | <b>125</b> |
| 5.8  | <b>District wise Instability Index Value (Percentage) Of Working Factories And Workers Employed In Working Factories In Gujarat From 1990-91 To 2009-10</b> | <b>126</b> |
| 5.9  | <b>District wise Instability Index Value (Absolute) Of Industrial And Total Electricity Consumption In Gujarat From 2000-01 To 2009-10</b>                  | <b>127</b> |
| 5.10 | <b>District wise Instability Index Value (Percentage) Of Industrial And Total Electricity Consumption In Gujarat From 2000-01 To 2009-10</b>                | <b>128</b> |
| 6.1  | <b>Industrial Estates (GIDC) in Vadodara District-2009-10</b>   | <b>139</b> |
| 6.2  | <b>Number Of SSI Industrial Clusters Within Vadodara District 2000</b>  | <b>140</b> |
| 6.3  | <b>Industrial Progress in Vadodara District: 2009-10</b>  | <b>141</b> |
| 6.4  | <b>Taluka wise And Industry Group wise Employment Scenario - 2009-10</b>  | <b>143</b> |
| 6.5  | <b>Taluka wise Labour Intensity and Capital Intensity in Registered SSI, VADODARA district</b>  | <b>144</b> |
| 6.6  | <b>Location Quotient and Specialization Matrix in KARJAN Taluka</b>   | <b>148</b> |
| 6.7  | <b>Location Quotient and Specialization Matrix in CHHOTA UDEPUR Taluka</b>  | <b>150</b> |
| 6.8  | <b>Location Quotient and Specialization Matrix in JETPUR PAVI Taluka</b>  | <b>151</b> |
| 6.9  | <b>Location Quotient and Specialization Matrix in DABHOI Taluka</b>   | <b>152</b> |
| 6.10 | <b>Location Quotient and Specialization Matrix in PADRA Taluka</b>  | <b>154</b> |
| 6.11 | <b>Location Quotient and Specialization Matrix in VADODARA Taluka</b>   | <b>155</b> |
| 6.12 | <b>Location Quotient and Specialization Matrix in VAGHODIA Taluka</b>   | <b>158</b> |
| 6.13 | <b>Location Quotient and Specialization Matrix in SAVLI Taluka</b>  | <b>159</b> |
| 6.14 | <b>Location Quotient and Specialization Matrix in SANKHEDA Taluka</b>   | <b>160</b> |
| 6.15 | <b>Location Quotient and Specialization Matrix in SHINOR Taluka</b>   | <b>161</b> |
| 6.16 | <b>Location Quotient and Specialization Matrix in NASVADI Taluka</b>  | <b>162</b> |
| 6.17 | <b>Location Quotient and Specialization Matrix in KAVANT Taluka</b>   | <b>163</b> |
| 6.18 | <b>Taluka wise Compound Growth Rate of Selected Variables of Vadodara District From 1990-91 To 2009-10</b>  | <b>167</b> |

|      |  |     |
|------|--|-----|
| 6.19 | Group wise Compound Growth Rate of Selected Variables in Vadodara District From 1990-91 TO2009-10      | 168 |
| 6.20 | Taluka wise Instability Index Value of Selected Variables of Vadodara District From 1990-91 TO 2009-10 | 170 |
| 6.21 | Group wise Instability Index Value of Selected Variables in Vadodara District From 1990-91 TO2009-10   | 171 |
| 7.1  | Industrial Estates (GIDC) in Amreli District   | 183 |
| 7.2  | Number of SSI Industrial Clusters within Amreli District 2000  | 184 |
| 7.3  | Taluka wise Industrial Progress in Amreli District: 2009-10  | 185 |
| 7.4  | Taluka wise And Industry Group wise Employment Scenario -2009-10                                       | 187 |
| 7.5  | Taluka wise Labour Intensity and Capital Intensity in Registered SSI (Amreli District)                 | 188 |
| 7.6  | Location Quotient and Specialization Matrix in AMRELI Taluka   | 191 |
| 7.7  | Location Quotient and Specialization Matrix in DHARI Taluka  | 192 |
| 7.8  | Location Quotient and Specialization Matrix in KUNKAVAV-VADIA Taluka                                   | 193 |
| 7.9  | Location Quotient and Specialization Matrix in RAJULA Taluka   | 194 |
| 7.10 | Location Quotient and Specialization Matrix in BABRA Taluka  | 196 |
| 7.11 | Location Quotient and Specialization Matrix in JAFARABAD Taluka  | 197 |
| 7.12 | Location Quotient and Specialization Matrix in LATHI Taluka  | 198 |
| 7.13 | Location Quotient and Specialization Matrix in SAVARKUNDALA Taluka                                     | 200 |
| 7.14 | Location Quotient and Specialization Matrix in BAGASARA Taluka   | 201 |
| 7.15 | Location Quotient and Specialization Matrix in KHAMBHA Taluka  | 202 |
| 7.16 | Location Quotient and Specialization Matrix in LILIA Taluka  | 203 |
| 7.17 | Taluka wise Compound Growth Rate of Selected Variables of Amreli District From 1990-91 To 2009-10      | 206 |
| 7.18 | Group wise Compound Growth Rate of Selected Variables in Amreli District From 1990-91 TO2009-10        | 207 |
| 7.19 | Taluka wise Instability Index Value of Selected Variables of Amreli District From 1990-91 TO 2009-10   | 208 |
| 7.20 | Group wise Instability Index Value of Selected Variables in Amreli District From 1990-91 TO2009-10     | 209 |
