

### Maps, Figures, Tables, Plates, Graphs and Photographs

Sr. No.	Title	Page No.
	<b>Maps</b>	
1	Agroclimatic sub zones of Gujarat	34
2	Map showing study sites	35
	<b>Figures</b>	
1	General body structure of soldier	39
2	Shape difference in the pronotum.	39
3	General taxonomic measurements of the soldier head	40
4	General taxonomic measurements of head, Pronotum and Postmentum of soldier	41
5	General taxonomic measurements of the soldier mandible	42
	<b>Tables</b>	
1	Termite species recorded from study area	44
2	Site specific taxonomic status of termite species in the study area	45
3	Crop wise taxonomic status of termite species in the study area	45
4	Overall percent presence of pest species in different crops	59
5	Percent presence of pest species at seedling and maturing stages	61
6	Percent presence of all species recorded from study area	62
7	Occurrence of Termite species in different microhabitats in the study area	65
	<b>Plates</b>	
1	Plate- 1 (line diagrams of species 1 to 3)	66
2	Plate- 2 (line diagrams of species 4 to 6)	67
3	Plate- 3 (line diagrams of species 7 to 9)	68
4	Plate- 4 (line diagrams of species 10 to 12)	69
5	Plate- 5 (line diagrams of species 13 to 15)	70
	<b>Photographs</b>	
1	Photograph of species 1 & 2	71
2	Photograph of species 3 & 4	72
3	Photograph of species 5 & 6	73
4	Photograph of species 7 & 8	74
5	Photograph of species 9 & 10	75
6	Photograph of species 11 & 12	76
7	Photograph of species 13 & 14	77
8	Photograph of species 15	78
9	Photograph of mound of <i>Odontotermes obesus</i> in Castor field 16	78
	<b>Graphs</b>	
1	Percent presence of <i>Coptotermes heimi</i>	79
2	Percent presence of <i>Odontotermes obesus</i>	79
3	Percent presence of <i>Odontotermes redemanni</i>	80
4	Percent presence of <i>Microtermes mycophagus</i>	80
5	Percent presence of <i>Microtermes obesi</i>	81
6	Percent presence of all species in the study area	81
