

LIST OF TABLES

<u>TABLE NO.</u>		<u>PAGE</u>
1A.1	Selected Ratios for the Fifteen Major States of India, 1960-61 and 1970-71	34
2.1	Growth of SDP at Constant Prices - Our Estimates and the SSBs Estimates	58
2.2	Levels ^{and} of Growth of Real SDP - A Comparison Between Our Estimates and the SSBs Estimates	60
2A.1	Comparable Estimates of SDP at Current Prices prepared by CSO for 1967-68 & 1969-70	63
2A.2	Estimates of Comparable SDP at Current Prices for the years 1960-61 & 1970-71	67
2A.3	Sectoral Price Indices for the Indian States for the year 1970-71 with 1960-61=100	72
2A.4	Estimates of Comparable SDP at 1960-61 Prices for the year 1970-71	74
3.1	State Per Capita Income at Current Prices in India, 1960-61	79
3.2	State Per Capita Income in India, 1970-71	84
3.3	Sectoral Composition of SDP at 1960-61 Prices in the Indian States - 1960-61	96
3.4	Sectoral Composition of SDP at 1960-61 Prices in the Indian States - 1970-71	100

TABLE HC.PAGE

3.5	Growth of GDP at 1960-61 Prices in the Indian States - 1960-61 to 1970-71	106
3.6	Growth of State Income and Population in India, 1960-61 to 1970-71	110
3.7	Coefficient of Correlation Matrix	113
3.8	Growth of Selected Indicators of Development - 1960-61 to 1970-71	116
3.9	Contribution of Different Sectors in the Growth of Real GDP in Indian States	120
3.10	State Growth Inequalities - Contribution of Structure and Sectoral Growth of State Domestic Real Product	126
3A.1	Income and Population in Indian States, 1960-61	129
3A.2	Income and Population in Indian States, 1970-71	130
4.1	Trends in the Sex-Specific Worker Rates in Indian States, 1911-1971	137
4.2	Contribution of Definitional Changes in Reducing the Sex-Specific WPR Between the 1961 Census and the 1971 Census	142
4.3	Contribution of Different Factors in the Observed Fall in the Overall Worker Population Ratio Between the 1961 Census and the 1971 Census.	149
4.4	Estimates of Sex-Specific Worker Rates by Rural-Urban Residence for the year 1971	164

<u>TABLE NO.</u>		<u>PAGE</u>
4.5	Estimates of Workers by Sex and Rural-Urban Residence for the year 1971	166
4.6	The Extent of Underestimation of the Readjusted Workers in 1970-71	167
4.7	Worker Rates in the Indian States for the year 1960-61 & 1970-71	170
4.8	Sectoral Composition of Working Force in 1960-61	177
4.9(a)	Sectoral Composition of the Sex-Specific Re-adjusted Workers in Rural Areas in 1971	181
4.9(b)	Sectoral Composition of the Sex-Specific Re-adjusted Workers in Urban Areas in 1971	182
4.10	Category-wise Composition of the Readjusted Workers and Our Estimated Workers in 1970-71	185
4.11	Sectoral Composition of the Estimated Working Force in 1970-71	187
4.12	Growth of Working Force in Indian States between 1960-61 and 1970-71	190
4A.1	Sex-Area-Specific Workers in 1971 by Applying 1961 Age-specific WPR	192
4A.2	Sex-Area-Specific WPR in 1971 by Applying Age-Specific WPR of 1961	193
4A.3	Readjusted Workers and the Worker Rates in 1971	194
4A.4(a)	Sectoral Distribution of Estimated Workers in Rural Areas in 1970-71	195
4A.4(b)	Sectoral Distribution of the Estimated Workers in Urban Areas in 1970-71	196

<u>TABLE NO.</u>		<u>PAGE</u>
5.1a	Estimates of Net Stock of Capital (at current prices) by Broad Sectors for the year 1960-61	231
5.1b	Estimates of Net Stock of Capital (at 1960-61 prices) by Broad Sectors for the year 1970-71	232
5.2	Growth of the Net Stock of Capital (at 1960-61 prices) in Indian States between 1960-61 and 1970-71	236
5.3	Per Capita Stock of Real Capital in Indian States, 1960-61 and 1970-71	239
5.4	Estimates of Capital Intensity in Indian States, 1960-61 and 1970-71	243
5.5	Estimates of the Output-Capital Ratios in Indian States, 1960-61 and 1970-71	246
5A.1	Net Area Irrigated Through Public and Private Sources	249
5A.2	Value of Assets Owned by Rural Households - Buildings & Structures	250
5A.3	Value of Assets Owned by Rural Households - Implements, Machinery & Other Equipments.	251
5A.4	Value of Livestock Owned by Rural Households.	252
5A.5a	Estimates of the Stock of Capital in Agriculture at 1960-61 Prices for the year 1960-61	253
5A.5b	Estimates of the Stock of Capital in Agriculture at 1960-61 Prices for the year 1970-71	254
5A.6	Composition of Fixed Capital and Price Inflators for Registered Manufacturing Sector	255

TABLE NO.PAGE

5A.7	Price Indexes for Construction and Machinery (All India)	256
5A.8	Price Deflators for Fixed Capital Formation in the Manufacturing Sector (1960-61=100)	257
5A.9	Composition of Fixed Capital and Price Inflators for Electricity, Gas and Water Supply	258
5A.10	Price Deflators for Fixed Capital Formation in the Electricity, Gas & Water Supply (1960-61=100)	259
5A.11	Estimated Capital-Output Ratios for Registered Manufacturing, Unregistered Manufacturing and Electricity, Gas and Water Supply for 1960-61 & 1970-71	260
5A.12	Estimates of Capital-Output Ratio in Selected Sectors (All India)	261
5A.13	Estimates of Net Capital Stock at 1960-61 prices	262
6.1	Productivity Per Worker in Indian States, 1960-61 (at current prices)	276
6.2	Interrelationships Among Capital Intensity, Capital Productivity and Labour Productivity in 1960-61	283
6.3	Relationship of Worker Rate and Industrial Structure with Capital Intensity, Capital Productivity and Labour Productivity in 1960-61	286

TABLE NO.PAGE

6.4	Correlation Between State Per Capita Income and Each of its Components, 1960-61	291
6.5	Partial Contribution of Various Factors in the Observed State Income Differences- 1960-61	301
6.6	Total Contribution of Various Factors in the Observed State Income Differences - 1960-61	302
6.7	Average Contribution of Various Factors in the Observed State Income Differences - 1960-61	307
6.8	Gini Coefficients of State Income Inequality in India for the year 1960-61	312
6A.1	Expected per Capita Incomes Based on Partial Approach - 1960-61	315
6A.2	Expected Per Capita Incomes Based on Total Approach - 1960-61	316
7.1	Growth Experience of State Economies in India- 1960-61 to 1970-71-Partial Contribution of Factors	326
7.2	Growth Experience of State Economies in India- 1960-61 to 1970-71-Total Contribution of Factors	328
7.3	Growth Experience of State Economies in India- 1960-61 to 1970-71-Average Contribution of Factors	330
7.4	Correlation Between the Growth of State per Capita Income and Various Component Factors	343

<u>TABLE NO.</u>		<u>PAGE</u>
7.5	Coefficients of Correlation Between Growth of Various Factors	349
7.6	State Growth Inequalities in India - 1960-61 to 1970-71-Partial Contribution of Factors	362
7.7	State Growth Inequalities in India - 1960-61 to 1970-71-Total Contribution of Factors	364
7.8(a)	State Growth Inequalities in India - 1960-61 to 1970-71-Absolute Average Contribution of Factors	367
7.8(b)	State Growth Inequalities in India - 1960-61 to 1970-71-Relative Average Contribution of Factors	368
7.9	Gini Coefficients for Expected Incomes due to the Growth of Various Factors	380
7.10	Gini Coefficients for Expected Incomes Due to the Interstate Variations in the Growth of Various Factors	385
7A.1	Expected State Incomes Due to Growth of Various Factors - Partial Approach	389
7A.2	Expected State Income Due to Growth of Various Factors - Total Approach	390
7A.3	Relative Growth of Different Factors in the State Economies in India - 1960-61 to 1970-71	391
7A.4	Expected State Incomes in 1970-71 with the 'Average' Growth	393
7A.5	Expected State Incomes Due to Interstate Variations in Growth of Various Factors Partial Approach	394
7A.6	Expected State Incomes Due to Interstate Variations in Growth of Various Factors - Total Approach	395
