

LIST OF GRAPHS

Graph No.	GRAPHS	Page No.
3.1	Std plot of clobazam in methanol at 230nm (zero order curve)	115
3.2	Std plot of clobazam(second order,4DL,1000SF) at 230nm	116
3.3	Std plot of clobazam by HPLC at 230nm detection	117
3.4	Std plot of clopidogrel bisulphate in 0.1N MeOH-Hcl at 270nm (zero order curve)	119
3.5	Std plot of Clopidogrel bisulphate (second order,4DL,1000SF) at 277nm	120
3.6	Std plot of clopidogrel bisulphate by HPLC at 240nm detection	121
4.1	Rheogram of nasal dgel	161
5.1	Zero order release kinetics of CZ formulations	176
5.2	First order release kinetics of CZ formulations	176
5.3	Higuchi order release kinetics of CZ formulations	176
5.4	Zero order release kinetics of CS formulations	178
5.5	First order release kinetics of CS formulations	178
5.6	Higuchi order release kinetics of CS formulations	178
6.1	Blood, Brain concentration vs time plot following administration of ^{99m} Tc-CZ formulations	192
6.2	Blood, Brain concentration vs time plot following administration of ^{99m} Tc-CS formulations	198
6.3	Blood, Brain concentration vs time plot following administration of ^{99m} Tc-IGF1 formulations	204
