

ACKNOWLEDGEMENTS

I wish to express my deepest gratitude and indebtedness to my esteemed guide Dr. R. S. R. Murthy, Professor of Pharmaceutics, Pharmacy Department for his constant source of inspiring guidance, thought provoking ideas and encouragement to me and this dissertation is a result of his rational and meaningful thinking.

I offer my humble thanks to Prof. A. N. Misra, Head, Pharmacy Department, for providing excellent research facilities and also for always keeping the scientific temperament alive in all of us.

I am thankful to Prof. S. H. Mishra, Dr. (Mrs) K. K. Sawant, Dr. P. A. Nagar, Prof. M. R. Yadav, Dr. (Mrs) Rajani Giridhar and to all staff members for extending their help during the course of my work. I would like to thank all the technical and non-technical staff members for their help during the work.

I would like to thank Prof. R. Balaraman and his family members for their blessings and affection during the course of work.

I am extremely grateful to the university grants commission for providing financial support during my research work.

I would like to thank to Dr. Rakesh Kumar Sharma, Dr. Pushpa Mishra, Dr. B. S. Dwaraknath and Mrs. Krishna Chuttani of Institute of Nuclear Medicine and Allied Sciences, New Delhi for providing facilities and help during my animal studies.

I am indeed grateful to Tushar Vyas for the timely help rendered for successful completion of work.

A note of this kind cannot end without a word of appreciation and thankfulness to Subramanian, Ganesh, Anand, Pallavi, Parmeshwari, Hetal Thakkar, Hari, Leena, Ali, Vijay, Ashwin Rao, Shrenik, Mahesh, Rita, Pradip, Manish for their many helpful discussions and affection during the work.

I would like to thank Ravi, Boopalan, Revathi, Radha, Srividhya, Parul, Anuradha, lakshmi, Mamta, pallavi, Swapna, Rehana, Sudha, Archana and other friends for their help in one or other way during the course of work.

This acknowledgement will be incomplete without appreciating the moral support, blessings, inspiration and encouragement of my parents, brother and sister-in-law. Without their blessings, best wishes, moral support and encouragement, this work would not have been the same; it will be impossible to find appropriate means to fulfill the eternal debt, which I owe to them.

Finally it is inevitable in this project, that omissions, occasional errors and lapses in the accuracy of interpretations might have escaped detection. I hope that any mistakes are minor and minimum and I accept the full and exclusive responsibility for them.
