

### ACKNOWLEDGEMENT

It gives me a great pleasure to express my sincere gratitude to Dr. A. B. Darji, M.Sc., Ph.D., for introducing me to the subject and guiding through the course of work. I am thankful to Prof. M. M. Patel, M.Sc., Ph.D., for giving me an opportunity to carry out the work and providing excellent facilities in the laboratory. Author has drawn heavily the advice and experience from him. The keen interest shown by Prof. N. S. Pandya, Ex. Prof. is gratefully acknowledged.

I am particularly thankful to Dr. M. N. Kamalasanan and Mr. V. P. N. Nampoori for the cooperation rendered during the course of the work. I owe a lot for the facilities given by the Central Workshop of the Faculty of Science.

S. P. VAIDYA.
