

List of Tables

No.	Title	Page No.
6.1	HA-induced developmental changes in <i>D. discoideum</i>	159
6.2	Effect of GSH on <i>D. discoideum</i> development	161
6.3	Effect of GSH on HA induced delayed development of <i>D. discoideum</i>	162
6.4	Effect of PARP inhibitor, benzamide on <i>D. discoideum</i> development	163
6.5	Effect of PARP inhibitor, benzamide on HA induced developmental changes in <i>D. discoideum</i>	164
6.6	Effect of cAMP on HA induced developmental changes in <i>D. discoideum</i>	167
6.7	Effect of oxidative stress on nitric oxide levels in <i>D. discoideum</i> cells	169
