*This thesis is the result of a journey whereby I have been accompanied and supported by many people. I extend my sincere gratitude and appreciation to all of them.*

*The first person I would like to thank is Prof. S.K. Bhattacharya. I consider myself lucky to work under his guidance. With immense patience he taught me how to handle small tools to intricacies of Mass Spectrometry. His integral view on research has made a deep impression on me. His smiling face has always been a relief for me in the toughest time of the thesis. I have enjoyed the freedom he gave during the course of the work.*

*I express deep sense of gratitude to my thesis guide, Dr. S.K. Gupta, for his concern to my work and valuable advices during the thesis. He taught me the necessity of art of perfection. I am thankful to my co-guide, Prof. P.P Patel, of M.S. University for his valuable advice.*

*I am grateful to Prof. R. Ramesh and Prof. S. Krishnaswami for their extensive comments during many discussions. Interactions with them had a direct impact on the quality of my work.*
