

ACKNOWLEDGEMENTS

I am extremely grateful to Professor O P Juneja, my supervisor, for his advice, encouragement, guidance, and suggestions as well as for the academic and intellectual support.

I thank Dr B. A. Parikh of the Department of English for helping me get some of the much needed primary and secondary sources. I also thank my colleagues for their valuable suggestions and support.

I am grateful to The M S University of Baroda for granting me study leave to pursue my research leading to the completion of Ph.D.

I also express my sincere thanks to my friends for technical support.

I thank my family members for their assistance and tolerance during the course of my research work.

S P Sylvester
