

LIST OF TABLES

TABLE NUMBER		PAGE NUMBER
Table 1	Geological classification as proposed by Biswas, (1971)	21
Table 2	Geological Setting	32
Table 3	Variations of major oxides & trace elements in the laterite profile at Satpar	127
Table 4	Net gains and losses of major oxides and Trace elements at Satpar	130
Table 5	Variations of major oxides in the laterite profile at Ratnal	131
Table 6	Variations of major oxides in the laterite profile at Kukma	133
Table 7	Variations of major oxides in the laterite profile at Lakhond	133
Table 8	Variations of major oxides in the laterite profile at Mamuara	134
Table 9	Variations of major oxides in the laterite profile at Beraja	136
Table 10	Variations of major oxides in the laterite profile at Ramania	136
Table 11	Variations of major oxides in the laterite profile at Punadi	137
Table 12	Variations of major oxides in the laterite profile at Mota Asambia and Nana Asambia	138
Table 13	Variations of major oxides in the laterite profile at Goniasar Mota and Goniasar Nana	140
Table 14	Variations of major oxides & trace elements in the laterite profile at Goniasar Mota and Goniasar Nana	142
Table 15	Net gains and losses of major oxides and Trace elements	145
Table 16	Variations of major oxides in the laterite profile at Goniasar Mota and Goniasar Nana	146

Table 17	Variations of major oxides in the laterite profile at Wandh	147
Table 18	Variations of major oxides in the laterite profile at Wandh	148
Table 19	Variations of major oxides in the laterite profile at Sherdi	149
Table 20	Variations of major oxides in the laterite profile at Sherdi	150
Table 21	Variations of major oxides & trace elements in the laterite profile at Hamla	151
Table 22	Net gains and losses of major oxides and Trace elements at Hamla	154
Table 23	XRD data - Hamla	155
Table 24	XRD data - Hamla	156
Table 25	XRD data - Hamla	157
Table 26	XRD data - Hamla	158
Table 27	XRD data - Hamla	159
Table 28	Variations of major oxides in the laterite profile at Hamla	161
Table 29	Variations of major oxides in the laterite profile at Hamla	162
Table 30	Variations of major oxides in the laterite profile at Tumdi	163
Table 31	Variations of major oxides & trace elements in the laterite profile at Nandra	164
Table 32	Net gains and losses of major oxides and Trace elements at Nandra	167
Table 33	Variations of major oxides & trace elements in the laterite profile at Naredi	168
Table 34	Net gains and losses of major oxides and Trace elements at Naredi	171
Table 35	Variations of major oxides in the laterite profile at Raydhanpur	172

Table 36	Variations of major oxides in the laterite profile at Miyani	173
Table 37	Variations of major oxides & trace elements in the laterite profile at Chiyasar	174
Table 38	Net gains and losses of major oxides and Trace elements at Chiyasar	177
Table 39	Variations of major oxides in the laterite profile at Khar-uva	178
Table 40	Variations of major oxides & trace elements in the laterite profile at Nundatar	179
Table 41	Net gains and losses of major oxides and Trace elements at Nundatar	182
Table 42	Variations of major oxides & trace elements in the laterite profile at Balachor	183
Table 43	Net gains and losses of major oxides and Trace elements at Balachor	186
Table 44	Variations of major oxides & trace elements in the laterite profile at Wamoti (Moti)	187
Table 45	Net gains and losses of major oxides and Trace elements at Wamoti	190
Table 46	XRD - data Wamoti	191
Table 47	XRD - data Wamoti	192
Table 48	XRD - data Wamoti	193
Table 49	XRD - data Wamoti	194
Table 50	XRD - data Wamoti	195
Table 51	Variations of major oxides in the laterite profile at Wamoti (Nani)	197
Table 52	Variations of major oxides in the laterite profile at Khapper	198

Table 53	Variations of major oxides in the laterite profile at Boha	199
Table 54	Variations of major oxides in the laterite profile at Khanai	201
Table 55	Variations of major oxides in the laterite profile at Jhulrai	202
Table 56	Variations of major oxides in the laterite profile at Saran	203
Table 57	Variations of major oxides in the laterite profile at Samajirao	204
Table 58	Variations of major oxides in the laterite profile at Rato-Talav	205
Table 59	Variations of major oxides & trace elements in the laterite profile at Mata-no-Madh	207
Table 60	Net gains and losses of major oxides and Trace elements at Mata-no-Madh	210
Table 61	XRD - data Mata-no-Madh	211
Table 62	XRD - data Mata-no-Madh	212
Table 63	XRD - data Mata-no-Madh	213
Table 64	XRD - data Mata-no-Madh	214
Table 65	XRD - data Mata-no-Madh	215
Table 66	Variations of major oxides in the laterite profile at Mata-no-Madh	217
Table 67	Variations of major oxides in the laterite profile at Fulra	219
Table 68	Planation Surfaces of Kutch Mainland (after Biswas, 1974)	272
