

A C K N O W L E D G E M E N T

I acknowledge, with a deep sense of gratitude to my esteemed supervisor, Prof. M.M. Dadi, whose deep insight in the subject has helped me at each and every stage of this study. His constant encouragement made it a pleasure to work with him. I am highly indebted to him.

I am grateful to Prof. V.N. Kothari, Co - ordinator, UGC special assistance progrmme, who was kind enough to award the UGC fellowship. I take this opportunity to thank, 'Centre for advanced study in Economics' University of Bombay for awarding me visiting fellowship. I also thank Prof. S.R. Hashim, Prof. J.C. Sandesara for their direct and indirect help.

The present study, with respect to collection of data, involved co-operation of several officials and friends. In this connection mention has to be made of the help and co-operation extended by the officials of Baroda Municipal Corporation and Gujarat Electricity Board. The co-operation of the industrialists is gratefully acknowledged, with out whose co-operation this work would have not been possible.

In the course of work on the thesis, I have received help and co-operation from many friends. I express my sincere thanks to all of them.
