

A C K N O W L E D G E M E N T S

I am deeply indebted to Professor R.V.Joshi, Ph.D.(Leeds), for his untiring guidance and stimulating discussion throughout the course of this investigation. I would like to express my gratitude to Prof. M.M.Patel for the provision of necessary experimental facilities.

Sincere thanks are due to my research associates working in the Physics Department of the Faculty of Science and the Applied Physics Department of the Faculty of Technology and Engineering for their friendly co-operation during the period of this investigation.

I am grateful to the staff of the Central Workshop for necessary assistance during this work.

I wish to extend my sincere thanks to the University Grants Commission, New Delhi, for awarding me a Research Fellowship.
