* Disabled Person - Defined.	11
* Nature Types and Causes of Disability.	13
* Rehabilitation of the Disabled Person.	19
* Rehabilitation Programmes in India.	24
* Facilities and Programmes for the Disabled in Gujarat State.	25
* Evaluation of Services for Handicapped in Gujarat.	28
* Review of Related Researches	31
* Research Studies on Problems of Disabled Persons and Their Families.	31
* Research Studies on Management.	52
III. METHOD OF PROCEDURE.	78
* Theoretical Framework for the Present Study.	79
* The Pilot Study Phase	86
* Construction of Research Tools	88
* Results of Pilot Study	97
* The Case Study Phase	99
* Method of Collecting Data.	100

CHAPTER.	PAGE.
* Analysis of Data.	100
* The Follow Up Stage.	102
IV. FINDINGS AND DISCUSSION.	104
* Section - I : Case Studies - Analysis	104
1. Family of Hemant.	105
2. Family of Harish.	108
3. Family of Hiren.	112
4. Family of Hirak.	116
5. Family of Hina.	122
6. Family of Biren.	125
7. Family of Baldev.	128
8. Family of Bankim.	132
9. Family of Biraj.	136
10. Family of Bipin.	139
11. Family of Dilip.	142
12. Family of Dolly.	146
13. Family of Deepa.	148b
14. Family of Deven.	152
15. Family of Dhiraj.	155
16. Family of Mehul.	159
17. Family of Manish.	163
18. Family of Madan.	167
19. Family of Manhar.	171
20. Family of Mira.	176
21. Family of Chimpu.	181
22. Family of Chitra.	186
23. Family of Chander.	191

CHAPTER.	PAGE.
24. Family of Chiman.	194
25. Family of Charu.	200
* Section - II : Synthesis of Findings	205
* The Family Background Characteristics	205
* Age, Education and Occupation of the Respondents and Head of the Family.	207
* Characteristics of the Disabled Person in the Family.	209
* Nature, Cause and Extent of Disability.	213
* Problems Faced by the Homemakers	224
* Goals for Rehabilitation of the Disabled Person.	238
* Decision-making Pattern of Families.	241
* Practices Followed by Respondents.	249
* Overall Management.	261
* Attitude of Respondents Towards Disability.	262
* Section - III : Relationship Among Variables	264
* Section - IV : Discussion of Findings	278
* Section - V : Suggestions Evolved for Improvement of Management	300
* Section - VI : The Follow Up Stage.	304
V. SUMMARY CONCLUSIONS AND RECOMMENDATIONS	310
BIBLIOGRAPHY	327

APPENDIX.	PAGE.
I. Interview Schedule	343
II. Operational Definitions.	374
III. Categories Used in the Present Study.	375
IV. Extent of Disability According to the Nature and Area of Disability.	378
V. Housing Condition.	379
VI. Disabled People Registered in Various Institutions in Baroda.	381
VII. Facilities and Programmes for the Disabled in Gujarat State.	382
