

**Chapter-III:            Dynamical conductivity of superlattices with  
one charge carrier layer per unit cell**

3.1	Introduction	46
3.2	Formalism and Calculations of conductivity	48
3.3	Macroscopic conductivity	52
3.4	Microscopic conductivity	58
3.5	Conclusion	66
	References	67

**Chapter-IV :            Dynamical conductivity of system with two  
layers of charge carriers per unit cell**

4.1	Introduction	69
4.2	Calculations of dynamical conductivity	73
4.3	Results and discussion	
	4.31 Macroscopic conductivity	79
	4.32 Microscopic conductivity	88
4.4	Conclusion	91
	References	93

**Chapter-V :            Dynamical conductivity of quantum wire system**

5.1	Introduction	96
5.2	Modeling of quantum wire system	99
5.3	Formalism and calculations	
	5.31 Macroscopic conductivity	101
	5.32 Microscopic conductivity	102
5.4	Results and discussions	106
5.5	Conclusion	114
	References	115
