

## A C K N O W L E D G E M E N T

It is with great pleasure to note that the author acknowledges his deep sense of gratitude to Dr.A.M.Talati, Reader in Chemistry, for suggesting the problem and for his valuable guidance throughout the course of this work, without which this work would not have seen the light of the day.

He also takes this opportunity to express his sense of gratefulness to Professor Suresh Sethna, Head, Chemistry Department, for his encouragement and continued interest in the work, and for providing the facilities.

His thanks are due to Dr.S.S.Lele, Reader in Chemistry(micro), for the microanalysis of the samples.

His thanks are due to Professor L.B.Shah, ex-Dean and Professor S.M.Sen, Dean, Faculty of Technology and Engineering, Professor R.L.Desai, Textile Chemistry Department and Professor J.S.Dave, Chemistry Department, for their keen interest in the work.

Finally, the author thanks all the fellow workers and the members of the staff for their kind co-operation from time to time.

K.B.Shah.
