

ACKNOWLEDGEMENTS

I avail of this opportunity to express my sincere and deep sense of gratitude towards my teacher and guide, Dr. U. J. Modi, Senior Professor and Head, Department of Pediatrics, Medical College and S.S.G. Hospital, Vadodara, under whose able guidance I undertook this venture.

I am grateful to Dr. B. P. Tamankar, Dean, Medical College, Vadodara; Dr. D. N. Shah, Superintendent, S.S.G.Hospital, Vadodara and Dr. G. R. Dholakia, Medical Director, B.A.G.Hospital, Vadodara, for permitting me to carry out this study.

I gratefully acknowledge my gratitude towards Dr. S. Khare, Assistant Director, National Institute of Communicable Diseases, New Delhi, for her active support in my laboratory analysis work.

My sincere thanks are also due to Dr. P.V.Kotecha, Associate Professor, Department of Preventive and Community Medicine, Medical College, Vadodara, for the help rendered by him in the statistical analysis of the study.

I also express my gratitude to Dr.P.K.Bansal of Information Systems, Vadodara, for the computer analysis of the data.

I wish to thank all my colleagues and friends for their support and encouragement throughout the ups and downs of the study.

Lastly, I express my overwhelming gratitude and affection towards all the little subjects and their parents who volunteered willingly to participate in this project to give form and existence to this study.

Gurbani S.G.
