

## A C K N O W L E D G M E N T

I take this opportunity to express my deep sense of gratitude to Dr. J.S.Dave for suggesting the problem and for his keen interest and valuable guidance during the course of this investigation. I am much grateful to Professor S.M.Sethna for his encouragement and continued interest in the work and for going through the MSS. My sincere thanks are also due to Professor A.R.Chavan, Professor D.V.Gogate and Shri Y.K.Sane for the photographs of the graphs and diagrams, to Shri S.S.Lele for the microanalysis and to the fellow workers and members of the Department for their valuable help from time to time during this investigation.
