

### ACKNOWLEDGEMENTS

I sincerely thank Dr. R. K. Bhattacharya, Ph.D., Head, Group on Biochemical Basis of Carcinogenesis for his constant support during planning and execution of the work, thorough and critical appraisal of the data obtained and a very encouraging guidance throughout the course of my work.

My thanks are also due to Dr. D.S. Pradhan, M.Sc. (Tech.), Ph.D., Head, Biochemistry Division, for his encouraging attitude towards this work.

No words can compensate my wife Rashmi for bearing without grudge the deliverance of this Degree and for the very enthusiastic support in the pursuit of my goal.
