

ACKNOWLEDGEMENTS

The author finds no words to express his gratitude to Dr. K.C. Tiwari, Senior Lecturer, Department of Geology, under whose guidance and supervision the present studies have been carried out. The present frame of the studies was achieved mainly due to his timely help, constant inspiration and advice, brotherly affection, concern and encouragement during the moments of despair and frustration.

The author wishes to thank Prof. S.J. Desai, Head, Department of Geology for providing necessary facilities during the progress of this work.

The author takes this opportunity to express his deep sense of gratitude and thanks to Prof. S.S. Merh, INSA Senior Scientist for suggesting the problem and his guidance and encouragement during the earlier phase of the research work.

The author also wishes to place on record the encouragement and help rendered by Prof. N.M. Vashi (Retired) and Prof. M.P. Patel during various stages of the work.

So many other persons have helped the author in various ways during the course of his investigation. Thanks to everyone who has discussed ideas, broadened the author's outlook, provided information, raised his enthusiasm or offered valuable criticism. It has not been easy to pick out individuals, but the author would like to take this opportunity to give his special thanks to the following:

- *Dr. N.D. Desai, for motivation and kind cooperation.*
- *Dr. P.P. Patel, Dr. R.V. Karanth and Dr. S. Ganapathi for help and advice during the tenure of the research work.*
- *Dr. A.V. Joshi, Dr. M.A. Limaye, Dr. S.J. Patel, Dr. N.L. Sharma, Dr. N.P. Bhatt and Dr. D.A. Sant for encouragement and inspirations.*
- *Prof. (Mrs.) S.G. Devi and Dr. R.N. Sharma of the Chemistry department and Prof. N.M. Bhatt of the Faculty of Engineering and Technology for help in the analysis of samples.*
- *Dr. S. P. H. Sychanthavong (Former UGC Research Scientist of the Geology Department) for fruitful discussions.*
- *The Directors of Zonal Offices of Central Groundwater Board at Jaipur and Jodhpur, for providing access to the relevant literature and data.*
- *Shri. S.P. Dalvi, Shri. B.M. Chauhan, Mrs. H.M. Thite, Shri. B.G. Malik and Shri. K. Christian for their kind cooperation.*

The author's grateful and sincere thanks are due to Dr. B. Suresh (Department of Zoology) and Ms. Isha V. Desai, for their timely help and support in the compilation of the thesis. These friends not only provided assistance in various ways, but also cheered him up in moments of despair and anxiety.

Acknowledgements

The author expresses his sincere and heartfelt thanks to his friends Mr. Remakanthan A. who provided moral support and affection during the period of research work and Dr. V.K. Murukesan, Mr. Thomas George, Mr. Ravi Pillai and Ms. Meena Mehta for their constant encouragement. Special thanks are due to his colleagues Mr. Manish A. Mamtani, Mr. George Mathew and Ms. Rupa Das for their help, encouragement and all the more enjoyable company during the final phase of this research period. Mr. Jayachandran M. Nair and Mr. D. Ramakrishnan rendered their helping hand during the compilation of the thesis, for which the author is extremely thankful.

The author is grateful to University Grants Commission, New Delhi for financial support in the form of a Research Fellowship, which enabled him to carry out the present studies.

The author gratefully acknowledges the affection, encouragement and blessings provided by Mrs. Gayatri Tiwari during this period. The affection and homely atmosphere provided by her and children Kunal Tiwari and Namrata Tiwari were solely responsible for maintaining the happiness during moments of frustration and despair.

The author will fail on his duty for not acknowledging his parents, brother and sister. He is grateful to his parents for their support and affection. Their constant encouragement, inspiration and sacrifices during the period of his research work deserves author's sincere acknowledgement. He is deeply indebted to them for their support which enabled the author to reach this stage in his academic career.
