

ACKNOWLEDGEMENTS

I was awarded a Research Fellowship for four years from the University Grants Commission. This financial assistance enabled me to pursue my research. Prop (late) S.C. Misra utilised all his influence to get the fellowship from the U.G.C. I remember him with a grateful heart. Miss Ila Desai, Bombay taught me Gujarati for two years. I had the privilege of enriching my knowledge of Gujarati through my association with Mrs. Preeti Mehta, Baroda. I am grateful to both of them.

The Director and Research Officers of the Maharashtra State Archives of Bombay National Archives of India, New Delhi, Peshwa Daftar Alienation Office of Poona and the State Archives of Baroda gave me a free and helping hand in consulting the invaluable source materials at their disposal. Moreover the Librarians of Smt. Hansa Mehta Library, the M.S. University of Baroda, the Library of Bombay University, Central Library of Bombay Asiatic Society, the Jayakar Library of Poona University, Library of Surat University, Library of Gujarat University of Ahmedabad Gujarat ~~University~~ Vigyanpith of Ahmedabad, B.J. Institute of learning of Ahmedabad, and Teenmurthy Bhavan, New Delhi, promptly helped me in referring source materials in their respective Libraries. I express my sincere thanks to all of them.

My association as a research student with Prof. V.K. Chanda, is highly rewarding. He helped me in taping the source materials in the Gujarati Language. His suggestions and invaluable comments were of great importance in the preparation of this work. I was overwhelmed by his magnanimity in handing over to me the immense material that he had labouriously collected from the India Office Library ~~Lahore~~ London. I would like to place in record my indebtedness to him.

I thank Dr. Desai profoundly for spending his valuable time to discuss some interesting, but at the same time, puzzling problems of this study.

I am also grateful to Prof. K.S. Mathew for taking real pains to correct the thesis.

Thanks are also due to Mr. Gyaneswar. The Osmania University for his help with the typing.

Finally I would like to thank my brother-in-law Major Prabhath Kumar, who encouraged me for Doctoral Course and made all arrangements for my field trips. I also thank my husband Mr. Raghunath for his financial help and co-operation. The habits of an author are, almost by debinition, exaasperating. These were accepted with grace and kindness and encouragement was continuously forthcoming.
