

ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude to Prof.(Dr.) S.D. Sabnis for his valuable guidance, inspiration and encouragement throughout the investigations.

I am thankful to Dr. M. Daniel for his valuable suggestions and guidance at all stages of my work.

I am thankful to Prof. A.R. Mehta, Head, Department of Botany for providing facilities to carry out the investigations.

I thank all my colleagues and friends who have helped me to complete the work.

I am thankful to my wife Tessy for her encouragement and help for the completion of the thesis.

Lastly but not least I thank Mrs. Titus for her excellent job of typing.
