### Few Words of Heartfelt Expressions...

No research is ever the outcome of a single individual's talent of effort. This work is no exception. Many teachers, friends, and well-wishers have contributed to my work directly and indirectly. Although it is not possible for me to name and thank them all individually, I must make special mention of some of the personalities and acknowledge my sincere indebtedness to them and preserve gratitude to many others in my heart.

Motivation, encouragement and guidance keep a person moving towards a new endeavor. This is what my mentor **Prof. Ambikanandan Misra** has enshowered on me. With profound pleasure, I take this opportunity to express my deepest gratitude to Prof. Ambikanandan Misra, Head of Pharmacy Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for his guidance and encouragement throughout the course of this investigation and for providing necessary facilities required for completing this research studies. I am grateful for his timely attention, criticism and for being a constant source of inspiration.

It gives me immense pleasure to express my gratitude to **Prof. R S R Murthy, Prof. S H Misra, Prof. Balaraman, Prof. M. R. Yadav** and **Prof. Krutika Sawant**, Pharmacy Department, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda for their timely help and valuable guidance during the course of my work.

My sincere thanks are due to the **Dean**, Faculty of Technology and Engineering, The Maharaja Sayajirao University of Baroda, Vadodara for providing me with the necessary facilities required for my research work.

I am thankful to **Institute of Nuclear Medicine and Allied Sciences (INMAS), Ministry of Defence, New Delhi** for providing me facilities to carry out radiolabeling studies. I wish to express my sincere thanks to

---

---

**Dr. Anil Kumar Mishra**, Scientist 'F' and Joint Director, INMAS, New Delhi and **Dr. Pushpa Mishra**, Scientist 'E', INMAS, New Delhi for providing me training on radiolabeling of pharmaceuticals and handling of radioactive compounds. I am also thankful to **Ms. Ankur**, **Mr. Dinesh**, INMAS, New Delhi and **Mr. Chitrang**, Pharmacy Department for their help in animal experiments.

I wish to express my sincere thanks to the entire **teaching staff**, **Mr. Bhoite**, **Mrs. Vaishaliben**, **Mrs. Hasumatiben** and other **non-teaching staff** of the Pharmacy Department for their kind cooperation.

I am thankful to **Sun Pharma Advanced Research Centre, Vadodara, India** and **Pfizer Ltd., USA** for providing me Donepezil and Tacrine respectively. I express my sincere thankfulness to **Dr. M. V. Moorthy**, Animal Resources, Sun Pharma Advanced Research Centre, Vadodara, India for providing me animals for my research purpose. I am also thankful to **Gatteffose, France**; **Colorcon Asia Pvt. Ltd., Goa, India**; **BASF, Mumbai, India** and **Abitec Corporation, Ohio, USA** for providing gift samples of excipients.

I will be untrue if I fail to acknowledge the most valuable assistance and morale support extended to me by **Dr. Tushar K. Vyas**, **Dr. Aliasgar Shahiwala** and other colleagues at various stages of my work.

I would like to express my sincere thanks to my dear friends **Pranav**, **Samir**, **Adhvait**, **Manan** and **Pritesh Shah** for cheerful moments they have shared with me and for constant encouragement and moral support to reach my goals.

My heartily thanks are due to my colleagues who have extended their support directly or indirectly at various stages of my work.

---

---

This account would be incomplete without mention of my beloved **parents, my wife – Shruti, Ben-Banevi and Bhai-Bhabhi** from whom I received the precious gift of astounding courage, tremendous power of endurance, dedication to the chosen task and moral support, which always inspired me for constant efforts and because of them only, I am able to walk on this weary road of life without tiredness. I would also like to express my love to my **bhanji – Nirali, bhanja – Rashesh, bhatija – Axat, bhatiji – Moxa and my lovely daughter – Priyanshi** with whom I share my fondest dreams, fun and laughter that keeps me fresh and energetic every moment.

Last but not the least I thank the **Almighty** for his unlimited favors showered upon me.
