

ACKNOWLEDGEMENTS

Though the words are inadequate to express my indebtedness to Dr. Bonny Pilo, Reader in Zoology, Department of Zoology, M. S. University of Baroda, Baroda, it gives me pleasure to record my deep sense of gratitude to him for suggesting the problem, constant guidance, unfailing encouragement and understanding cooperation for the progress of this study.

I wish to record my deep sense of gratitude to Prof. R. V. Shah, former Head of the Department of Zoology, for providing facilities and encouragement.

I would also like to record my gratitude to Prof. P. M. Ambadkar, Head, Department of Zoology, M. S. University of Baroda, Baroda, for providing facilities in the department.

I am indebted to Dr. (Miss) M. V. Asmani, Dr. G. K. Menon whose help and suggestions and constant encouragement have immensely contributed to the study. I am also thankful to Dr. (Miss) M. M. Patel, Miss Mehan S. P., Miss Ketaki Derasari, and all other colleagues for their help and cooperation in one way or other, throughout the course of my work. Last but not the least I am thankful to my parents for their constant encouragement.
