

ACKNOWLEDGEMENT

The author makes grateful acknowledgement of his indebtedness to Prof. R. Rajalakshmi for guidance in the conduct and presentation of these investigations and Prof. C.V. Ramakrishnan for his encouragement.

The author is thankful to Dr. L.J. Parekh and other colleagues for help in various ways.

The author is also thankful to Dr. P.K. Desai, Dr. N.A. Vaniawala and Dr. S.D. Desai, Pathologists of P.T. Surat General Hospital, Surat, for their interest and kindness in giving generous leave of absence to enable him to visit Baroda to complete the presentation of the thesis.
