PAPERS PRESENTED AT INTERNATIONAL AND NATIONAL CONFERENCES

Sr. No	Name of Conference	Organized by	Date of Events	Paper title
1	National Seminar on "Application of Power Electronics to Power Systems	Society of Power Engineers	June 10-11 2006	E-Transformer- Application of Power Electronics to Power Systems
2	International conference on "Recent Advancements & Applications of Computers in Electrical Engineering-RACE-07"	Engineer college, Bikaner Sponsored by IEEE	March 24 – 25, 2007	Modeling and Simulation of Direct AC-AC converter using High Frequency Link
3	National Conference on current trends in technology	Nirma institute of Technology	Nov 29-Dec 01, 2007	Analysis & Design of Power electronics distribution transformer
4	International Conference on Power systems, ICPS 2008	CPRI bangalore	Dec 12-14, 2007	A Novel and Simplified Control Technique for Direct AC-AC Converter
5	National Power Electronics Conference	IISC bangalore	Dec 17 th - 19 th , 2007	A Simple Technique for Control for Direct AC-AC Converter Based on Detection of Phase Voltages
