
LIST OF FIGURES

FIGURE 1: Geology of Mehsana district	39
FIGURE 2: Generalized soil map of Mehsana district.....	39
FIGURE 3: Average seasonal variation in fluoride concentration of groundwaters of Kheralu taluka	85
FIGURE 4: Percent Population affected	91
FIGURE 5: Fluoride content in agricultural soils	95
FIGURE 6: pH of agricultural soil	96
FIGURE 7: Cation exchange capacity of agricultural soil.....	96
FIGURE 8: Soil organic carbon of agricultural soil.....	96
FIGURE 9: Available phosphorus in agricultural soil	97
FIGURE 10: Available potassium in agricultural soil	97
FIGURE 11: Zinc content in agricultural soil	97
FIGURE 12: Iron content in agricultural soil.....	98
FIGURE 13: Manganese in agricultural soil.....	98
FIGURE 14: Copper content in agricultural soil.....	98
FIGURE 15: Sulphur content in agricultural soil.....	99
FIGURE 16: Sodium content in agricultural soil	99
FIGURE 17: Calcium content in agricultural soil.....	99
FIGURE 18: Effect of shaker speed on fluoride ion removal by TISP.....	117
FIGURE 19: Effect of the solution pH on fluoride ion removal by TISP.....	117
FIGURE 20: Effect of temperature on fluoride ion removal by TISP	118
FIGURE 21: Effect of contact time and Initial fluoride on removal by TISP	118
FIGURE 22: Effect of particle size on fluoride ion removal by TISP	119
FIGURE 23: Effect of dosage on fluoride ion removal by TISP	119
FIGURE 24: Effect of Co-ions interference in fluoride ion removal.....	120
FIGURE 25: Langmuir adsorption isotherm.....	123
FIGURE 26: Freundlich adsorption model	124
FIGURE 27: Dubinin–Radushkevich isotherm model.....	125
FIGURE 28: Single stage batch adsorber.....	127
FIGURE 29: Design plot for the adsorption of fluoride ions onto the TISP.....	127
FIGURE 30: Pseudo first order kinetics.....	130

FIGURE 31: Pseudo second order kinetics	130
FIGURE 32: Intraparticle Diffusion kinetic model.....	132
FIGURE 33: Liquid film diffusion model.....	132
FIGURE 34: Thermodynamics of adsorbent.....	135
FIGURE 35: Effect of lipids on defluoridation by TISP	146
FIGURE 36: Effect of proteins on defluoridation by TISP.....	146
FIGURE 37: Effect of carbohydrates on defluoridation by TISP	146
FIGURE 38: Seasonal variation in pH	153
FIGURE 39: Seasonal variation in Total Alkalinity	153
FIGURE 40: Seasonal variation in TDS	154
FIGURE 41: Seasonal variation in bicarbonate	154
FIGURE 42: Seasonal variation in carbonate	155
FIGURE 43: Seasonal variation in Hardness	155
FIGURE 44: Seasonal variation in Calcium	156
FIGURE 45: Seasonal variation in Magnesium	156
FIGURE 46: Seasonal variation in Sodium.....	157
FIGURE 47: Seasonal variation in Potassium.....	157
FIGURE 48: Seasonal variation in Fluoride	158
FIGURE 49: Seasonal variation in Chloride	158
FIGURE 50: Seasonal variation in Sulphate.....	159
FIGURE 51: Piper Diagram for Post Monsoon	160
FIGURE 52: Piper Diagram for Post Monsoon	160
FIGURE 53: Gibbs Diagram for Post Monsoon	161
FIGURE 54: Gibbs Diagram for Pre-Monsoon.....	161
