

LIST OF FIGURE, TABLES

Figure		Page
3.1	A Digramatic Form Showing Sample Distribution of Students in the Schools of Guwahati Division According to Area and Nature of Institution.	129
Table		
4.1	Summary of Analysis of Variance for Peer Influence.	134
4.2	Mean and Standard Deviation of Peer Influence Scores with respect to Area of Institution.	134
4.3	Mean and t-values for Peer Influence with respect to Nature of Institution.	136
4.4	Summary of Analysis of Variance for Peer Influence.	139
4.5	Two Way Analysis of Variance : Cell Means.	139
4.6	Summary of Analysis of Variance for Educational Aspiration.	142
4.7	Two Way Analysis of Variance : Cell Means.	142
4.8	Summary of Analysis of Variance for Educational Aspiration.	144
4.9	Two Way Analysis of Variance : Cell means.	144
4.10	Correlation Matrix (5x5).	148
4.11	Regression Estimates of Academic Achievement on Explanatory Variables.	149
4.12	Set-up Regression Equation of Academic Achievement on Explanatory Variables.	150
4.13	Correlation Matrix (5 x 5)	155
4.14	Regression Estimates of Academic Achievement On Explanatory Variables.	156

Table		Page
4.15	Set-up Regression Equation of Academic Achievement on Explanatory Variables.	157
4.16	Correlation Matrix (5x5).	160
4.17	Regression Estimates of Academic Achievement on Explanatory Variables.	161
4.18	Set-up Regression Equation of Academic Achievement on Explanatory Variables.	162
4.19	Correlation Matrix (5x5)	165
4.20	Regression Estimates of Academic Achievement on Explanatory Variables.	166
4.21	Set-up Regression Equation of Academic Achievement on Explanatory Variables.	167
4.22	Correlation Matrix (5x5)	170
4.23	Regression Estimates of Academic Achievement on Explanatory Variables.	171
4.24	Set-up Regression Equation of Academic Achievement on Explanatory Variables.	172
4.25	Correlation Matrix (5x5).	175
4.26	Regression Estimates of Academic Achievement on Explanatory Variables.	176
4.27	Set-up Regression Equation of Academic Achievement on explanatory Variables.	177
