

Acknowledgements

First and foremost, I am so grateful to my supervisor Dr. Rajan Barrett, Assistant Professor, Department of English, The Maharaja Sayajirao University of Baroda, Vadodara for his continuous support even before the registration for the Doctoral Degree. He has not only supervised the research work but supported me as a human being when it was needed the most. He has made an immense contribution to this research work by keeping me informed about the relevant information about the research work.

I also express my sincere gratitude to The University Grants Commission, New Delhi for granting me the Teacher Fellowship under the Faculty Development Scheme. Without this fellowship, I could not have fulfilled a requirement of being a regular Ph.D. student in the Department of English, The Maharaja Sayajirao University of Baroda, Vadodara. I express my sincere thanks to the trustees and management of Ambegaon Taluka Vidya Vikas Mandal's B. D. Kale Mahavidyalaya, Ghodegaon for allowing me to have the Teacher Fellowship and encouraging me to complete the research work. I am particularly thankful to the Principal, the Vice-Principal and my colleagues in B. D. Kale Mahavidyalaya, Ghodegaon.

I am much more grateful to all the people in Vadodara who made efforts to understand and encouraged me to keep on working whenever I found it difficult to continue the research work. Especially Mr. Shakti Bhatt who took time off and encourage me to write the Ph.D. and came twice and stayed at my pace otherwise this work would not have seen the light of day. Both Mr Bhatt and my family cooperated with my eccentricities and saw to it despite difficulties, which can not be mentioned here, to see that I finish my work.

I express my sincere gratitude to Dr. Hitesh Ravia, Head, Department of English who always encouraged me to complete the research work. I am also thankful to Professor Deeptha Achar

without whose guidance and support I would not be able to be a student and complete my work. Prof. Sachin Ketkar, Prof. Madhurita Chaudhari, Mrs. Utpala Mehta, Dr. Bela Desai, Mr. Dhiren Parmar, Mrs. Pallavi Patel and Mr. Ramesh Vaghela who were part of the Department at the time when I was here doing my term as a Teacher Fellow and whose occasional encouragement went a long way to see my work was completed. I hope I have not left out anyone from the Department whom I should thank.

I have to thank Dr. Gita Viswanath for going through my work and editing it, of course I look forward to sending it to her for feedback to make the work better even after submission.

I also thank Mr. Subham Amin for spending his time to look through my work and suggest changes.

I also thank Dr. Rashmin Sompura and team in the Faculty of Education and Psychology for helping me submit my work.

I am especially thankful to my wife Ashwini and daughter Aditi for tolerating my whims. No words can grasp the hardship they have gone through because of my impulsive behaviour. I am also thankful to Deepak Sahoo and Vaishali Sahoo who took care of me when I needed someone who could understand me. At last, and not the least, I thank all my concerned friends who kept my morale up when it was diminishing.

If I have left out anyone who I have to thank I apologize profoundly.

Somnath K. Jagtap
