*"The very essence of education is concentration of mind, not the collecting of facts. Education is not the amount of information that is put into your brain and runs riots there, undigested, all your life. Therefore, we must have life building, man making, character building and assimilation of ideas".*

**- Swami Vivekanand**

*It is with deep gratitude and humbleness, I take this opportunity to express my sincere thanks to my respected guide, **Prof. (Dr.) M. Daniel**, Department of Botany, Faculty Of Science, The M. S. University Of Baroda ,Vadodara, under whose personal supervision and guidance, this research work was conducted. I am very grateful to him for constant support, encouragement and valuable suggestions which he gave me at every stage of my Ph.D, and it is his encouragement and guidance that made it possible for me to finish this study successfully. I thank him for all the help and support and feel proud to be one of his Ph.D students.*

*With profound sense of gratitude and humbleness, I express my sincere thanks to Prof. (Dr.) Arun Arya, former Head, and Prof. (Dr.) Sandya Garge, Head of Department of Botany and all staff members of the Department who have been very helpful and provided me support throughout the project. I am also thankful to the non-teaching members of the department for their help and cooperation. I wish to thank my laboratory colleagues Dr.Elizabeth Robin, Dr.Anamika Kumari, and Dr.Dipa Gohil for their co-operation during the present Ph.D programme. I gratefully acknowledge the help extended by Poonam and Gagandeep.*

*I am highly thankful to Dr. Padmanabhi Nagar for his help in identification, authentication and collection and I am humbly obliged to Jayantbhai thakor and Dipak for help in plant collection.*

*I express my sincere gratitude to Dr. Denni Mammen for his valuable guidance, useful suggestions and all kind of help during the progress of my work, especially HPTLC work.*

*I am immensely thankful to Commissioner, FDCA, Gandhinagar for permitting me to undertake this work.*

*I am extremely grateful to my parents and all family members for their support, love, care and encouragement. They have always been a great source of inspiration.*

*I would like to express my love and appreciation to Master Kapil, Bhakti, Abhishek, Akshata and naughty Ashish.*

*Above all, I thank GOD Almighty for showering blessings upon me in all my life and developing a scientific aptitude in me for completing this research work in time.*
