

List of Plates

Sr. No	Topic	Page No.
1.	Annual change in forest area by region	6
2.	Annual change in forest area by country	7
3.	Administrative Map of Godhara Forest Division	10
4.	Map Showing the Study Area	36
5.	Tourist attractions of the study area	40
6.	Dev Reservoir	43
7.	Dry deciduous forest of the study area	44
8.	Road Network of Halol Taluka	65
9.	Slope Map of Halol Taluka	70
10.	Aspect Map of Halol Taluka	71
11.	Map showing Drainage network of the study area	73
12.	Map showing Villages of Halol Taluka	75
13.	Population Map of the area	77
14.	Map showing educational and technical Institutes of the study area	78
15.	Map showing per capita available arable land	79
16.	Map showing per capita available arable land with respective to population of the village	79
17.	Soil map of the study area with erosion status	81
18.	Map showing SO ₂ concentration	83
19.	Map showing CO concentration	83
20.	Map showing NO _x concentration	84
21.	Map showing pH	84
22.	Map showing Electrical Conductivity	84
23.	Map showing Total Dissolved Salts	84
24.	Thematic map of Reserve forest area generated from SoI toposheets	87
25.	Thematic map of Recorded Forest area generated from Census data	87
26.	Thematic map of Forest area v/s Non-Forest area generated from Census Data	88
27.	Supervised Classification of the Image LISS-IV-2007	100
28.	Supervised Classification of the Image LISS-IV-2012	102
29.	Change Detection map for the year 2007 and 2012	103
30.	Forest cover map for the year 2007 and 2012	105
31.	Suitability map of the study area	108
32.	ESA map of the study area	112
33.	Considered criteria for identification of sustainable development sites	113
34.	Map showing identified areas with their sustainability status	115
