

### ACKNOWLEDGEMENTS

Words fail me as I wish to express my indebtedness and deep sense of gratitude to Dr. A.R. Mehta, M.Sc., Ph.D. (U.K.), Reader, Department of Botany, M.S. University of Baroda, Baroda-2, for suggesting the problem for the investigation. I am highly obliged and thankful to him for his invaluable guidance throughout the progress of this work.

Grateful acknowledgement is also made to Professor C.H. Pathak, Head, Department of Botany for the facilities provided in the Laboratory.

I am thankful to all my research colleagues in the Tissue Culture Laboratory for their help and co-operation in the completion of the thesis. I also wish to thank Mr. P.T. Dindorkar, Artist in the Department, for preparing the photographs.

The study leave granted by the University of Agricultural Sciences, Bangalore and the financial assistance given by the University Grants Commission, New Delhi, during the course of this work are gratefully acknowledged.
