

## ACKNOWLEDGEMENT

I seize this opportunity to express my profound sense of gratitude to **Professor T.R. Joshi**, Head, Applied Physics Department, Faculty of Technology & Engineering for his valuable guidance and encouragement throughout the course of this work. His constant advice, persistent guidance and significant discussion I had with him, is gratefully acknowledged.

It honours me to express my deep sincere thanks to **Prof. R.V. Joshi** for his keen interest and help in the discussion part of the present investigation.

I am highly indebted to **Dr.A.K. Nehate** for his directive advice and immense help I received throughout the course of this work. His continuous encouragement and motivation during the work is highly acknowledged.

It is my great pleasure to thank **Dr.A.K. Singhvi**, Physics Research Laboratory, Ahmedabad and **Dr.K.V.S. Nambi**, Health Physics Division, Bombay Atomic Research Centre, Bombay for their cooperation and help.

I am heartily thankful to **Dr.K.V.R Murthi**, and **Dr.M. Srinivas** for their help during the research. I also thank **Shri R. Manmohan**, **Shri Y.H. Gandhi**, **Shri S.N. Patil**, **Shri Purohit** and **Shri P.D. Patil** who have been helpful to me in one way or the other.

I owe my success to my wife Mrs. Wafa, without whose inspiration, encouragement and help the work could not be completed.

I wish to extend my thanks to non-teaching staff of the Applied Physics Department who have helped me to accomplish the work in time.
