

Acknowledgement

At the outset, I am appreciative to numerous great personalities for their collaborative effort and influence towards shaping a milestone of hard work and to achieve my research goal. It is also the result of many experiences I have encountered at The Maharaja Sayajirao University of Baroda and from immeasurable of amazing individuals whom I wish to acknowledge.

I would like to express my sincere gratitude towards the Ex-Head of the Department Prof. Sandhya Kiran Garge and the former Head of the Department of Botany, Prof. N.S.R. Krishnayya, for providing constant encouragement and all the necessary facilities to complete my research work.

*I would like to extend my sincere gratitude to my research guide, **Dr. Kishore S. Rajput**, for introducing me to this exciting world of plant anatomy. This work would not have been possible without his guidance and involvement. His guidance, I successfully overcame many difficulties and learned a lot. Again heartily thank you sir for all your support and help to make all these possible.*

*I extend my sincere gratefulness towards **Prof. Vinay M. Raole, Dr. Dharmendra G. Shah and Dr. Padmanabhi S. Nagar**, Department of Botany, The M. S. University of Baroda for their encouragement throughout my research period, helping me at every level of the study. Along with **Dr. A. S. Reddy, Dr. M. Natrajan** from Sardar patel University, Vallabh Vidyanagar for their encourage and guidance.*

*I take this opportunity to extent my sincere gratitude to the **Prof. Srirang Yadav and Dr. Manoj Lekhak** for providing all the facilities for the collection of samples from Maharashtra state. Thanks are also goes to the **Dr. Swarup, Dr. Pramod and Mr. Suraj** for helping in collection of plant samples from the various regions of Maharashtra and all over the country. Gratitude is also goes to **The Department of Botany, Shivaji University Kolhapur**, Maharashtra state. Sincere thanks are also goes to the **Dr. Sangita Gupta, Forest Research Institute (FRI), Dehradun** and her team for facilitate with the samples and her guidance.*

*The appreciations are also goes to the TBGRI, Trivendrum, Kerala state for providing the samples for investigations. I would also like to express my gratitude to **Gujarat Biodiversity Board (GBB), Maharashtra Biodiversity Board, Karnataka Biodiversity Board and Biodiversity Board of Assam** for giving the suitable permissions for visiting.*

*I express my fervent sense of thankfulness to all the **Forest Officers of Gujarat state and Waghai Botanical Garden, Waghai, Dangs, Gujarat** for providing all the necessary permission and facilities during field visits as well as their encouragement.*

*I extend my sincere gratefulness towards the **Dr. Roger Moya, Escuela de Ingeniería Forestal, Instituto Tecnológico de Costa Rica, Cartago, Costa Rica** and his team for providing all the required facilities for stay back and visiting in forest areas and collection of samples during my sir's visit.*

*I extend my thanks to **Dr. Himanshu Baijnath, Ward Herbarium, School of Life Sciences, University of KwaZulu-Natal, Durban, South Africa** for providing the samples collected from South African regions.*

*I am also appreciative to all my seniors **Dr. Pramod Sivan, Dr. Rina Koyani, Dr. Sachin Patil, Dr. Rinku Desai,** and lab mates **Mr. Ajit Vasava, Dr. Ronak Kapatel, Mr. Ravi Patel, Dr. Shiv Choudhary, Ms. Shruti Patel, Ms. Dhara Ramoliya, Ms. Khyati Thacker, Miss. Meera Rami and Mr. Tanmay Rohit** and all other friends of my department for providing me sage advices and selfless help throughout this work. **All the non-teaching staff of Department of Botany, The M. S. University of Baroda, Vadodara** are also one of the highly appreciable part of my journey, who are always ready to help and support at their level best. Appreciations are goes to the **Department of Botany, Faculty of Science and The Maharaja Sayajirao University of Baroda, Vadodara** for the giving me a platform for my study.*

Appreciations are also goes to the Department of Science and technology (DST), Scientific and Engineering Research Board (SERB), New Delhi and Gujarat Biodiversity Board (GBB) for providing the financial assistance to carry out the work.

Last but not least, I would like to thank parents and my family members for their unconditional trust, never ending patience, support and timely encouragement to fulfill my dream.

I would like to thanks to all the people who directly or indirectly helped me during my research work, to whom I could not able to mention in the acknowledgment. I express my deep sense of gratitude to all my well-wishers and friends for their constant help and blessings right from the beginning of my work up to the present situation.

Finally, I would like to thank lord almighty for everything.

Amitkumar Dhanjibhai Gondaliya
