*I would like to give special thanks to my Ph.D. guide **Prof. N. L. Singh** for being always there to support, motivate and help me to overcome all the challenges that I encountered during the present work. It was a great privilege and honor to work and study under his guidance.*

*Of course, I could not forget to thank **Prof. S. Mukherjee** for their encouragement, support and discussions from time to time during my Ph.D. research work.*

*I am grateful to **Prof. Haribhai Kataria** Dean Faculty of Science and **Prof. P. K. Jha** Head Department of Physics for all the resources and support provided to me to conduct my research work. I would like to extend a special thanks to **Prof. P. K. Mehta, Prof. M. N. Srinivas, Prof. C. F. Desai, Dr. P. H. Soni, Dr. K. N. Vyas, Dr. M. Sarkar, Dr. D. G. Rathod, Dr. K. R. Jotania and Dr. B. P. Shah** for teaching me in graduate and postgraduate classes. I'm so grateful that you were my teacher.*

*I would also like to thank **Dr. Harphool Kumawat** from Nuclear Physics Division BARC and **Dr. H. Naik** from Radiochemistry Division BARC for being always willing to give me valuable advice. The help and support they offered during the suggestions of the reviewer's comments were also priceless. The contribution of **Dr. S. Suryanarayan, Dr. B. K. Naik and Dr. S. Santra** from the Nuclear Physics Division BARC was also of prime importance for taking care of significant issues for the realization of the irradiations and offering scientific and technical support during the experiments. Moreover, I would like to thank **Dr. S. C. Sharma and Mr. Tarak Nath** from the Nuclear Physics Division and all the staff members of the Pelletron Accelerator Facility of the BARC-TIFR for their invaluable assistance and support all these years during the experiments.*

*I would like to thank **Prof. Karel Katovsky and Dr. Jan Varmuza** from Brno University of Technology, Czech for their collaborative work and for their suggestions and help throughout this research work.*

*I am grateful to Director Inter University Accelerator Centre (IUAC) **Prof. A. C. Pandey** and Fr.- Director **Dr. D. Kanjilal and Dr. S. Chopra** for their support and help during my Ph.D.*

*I acknowledge financial support by the IUAC for the project “IUAC-UGC-60321” and I would like to thank **Dr. P Sugathan, Dr. Akhil Jhingan, Mrs. K. S. Golda, Mr. N. Saneesh and Mr. Mohit Kumar** from IUAC New Delhi for their help fruitful discussions about the nuclear experiments and help during the experimental setup.*

*Furthermore, I would like to thank all the members of my research group **Mr. Mayur Mehta, Mr. Rakesh Chauhan, Vibhuti Vashi and Chhavi Joshi** with whom I have worked and published research papers together all these years. I am deeply thankful to **Dr. Rajnikant Makwana and Dr. K. H. Chaudhary** for their support, assistance, motivation, guidance and suggestions during the entire research work and for helping me immediately in difficult situations.*

*My special thanks to **Dr. Naveen Agrawal, Dr. Manish Jaiswal, Dr. Nimesh Patel, Dr. Jaimin Acharya and Mr. Ketan Prajapati** for his moral support, guidance, encouragement and help during the teaching assistant professor job.*

*I would like to express my deepest gratitude to my research colleague and friends **Dr. Shilpa Bhavsar and Dr. Ashwini Mahadik** for the sample preparation help and the so many hours we spent together working and discussing science and life. We shared the same lab during our PhD studies, both always helped me when I had a problem and encouraged, supported, motivate and advise me when I had bad days. In addition, I would like to thank my friend **Dr. Chaitanya Limberkar** for providing the samples for irradiation in the present experimental research work and for his support and encouragement throughout this research work.*

*I'm extremely grateful to my friends **Mr. Nilesh Prajapati, Dr. Bhavin Dhanavade, Dr. Milan Gajera, Mr. Parth Joshi, Mr. Maulik Joshi, Mr. Jayendra Rajput and Mr. Jasvant Dubla** with whom I have travelled and enjoyed life and for their love, support and encouragement during the entire time.*

*I would like to extend my sincere thanks to my college friends **Dr. Priya Suryavanshi, Pooja Iyer, Dipeeka Patanwadia, Shubhagni Marathe, Hiral Baraniya, Amay Fanase, Bhavin Patel, Ghanshyam Prajapati, Dinbandhu Thakur** for making everything better with their constant support and encouragement.*

Moreover, I would like to express my gratitude to my friends **Parvinder Singh** and **Dr. Hitesh Yadav** who gave me his support and encouragement all time. They are the men who always give good advice.

I would like to address an unmeasurable thanks to my brothers **Mr. Trinetra Kumar** and **Mr. Chandra Kishor** and sister **Mrs. Seeta Kumari** for their love, care, support and encouragement during the entire research work.

I would like to extend my sincere thanks to my neighbours **Sushila ben, Hariom Kaka** and **Rita** from the bottom of my heart for their love, care, support and help throughout this research work.

I would like to express my gratitude to non-teaching staff **Parikh Bhai, Jigna Ben, Ajeet Bhai, Rajesh Bhai, Nathu Bhai** and **Sawant Bhai** who gave me their support and help all time.

I'm extremely grateful to my parents and grandparents for all the love, care and motivation that they gave me and for always doing their best to support me and for giving me the opportunity to achieve my dreams and goals in my life.

I would like to thank my all family members and friends for making everything better with their love, motivation and support.
