

Acknowledgements

This journey would not have been possible without the support, encouragement and help of many people. Now, time has come to acknowledge all of them.

*First and foremost, I want to express my sincere gratitude to my Ph.D. supervisor and Head, **Prof. Pradeep T. Deota**. His encouragement, never-ending flow of ideas, constant support, and affectionate behaviour have always been a beacon of light for me throughout this Ph.D. journey. I can honestly say, I would not be where I am today without his help, guidance, support, and mentorship. I greatly appreciate the freedom he gave to me to find my own path and the support he offered whenever I needed the most. Even more importantly, he supported me in both success and failure, guiding me as I learned to not only be a better researcher, but also a better person.*

*I owe a debt of gratitude to **Prof. Vishwakarma Singh** for giving valuable time to offer me his enlightening abetment throughout my research period.*

*I pay special tribute to **DST** for providing financial assistance in the form of **DST-PURSE** fellowship and the financial aid assisted by ‘**The Maharaja Sayajirao University of Baroda, Vadodara, Gujarat**’ in connection with award of the **University Research Scholarship**.*

*It gives me immense pleasure to acknowledge the help, co-operation, continuous support, suggestions, encouragement and involvement rendered by my colleagues **Dr. Deepak Singh, Dr. Gautam M. Patel, Dr. Umesh Chaudhari, Ms. Nidhi Kahar** and **Mr. Akash Patel** during my Ph.D. work.*

*I am very much thankful to our in and out-campus collaborators **Dr. C. K. Modi, Mr. Bharat Maru** (App. Chem.), **Dr. Som Narayan** (PostDoc at Poland), **Prof. P. K. Jha, Dr. Deepak Upadhyay** (Dept. of Phys.) for lending me their expertise and intuition to my scientific and technical problems.*

*I thank my fellow lab mates **Ms. Abhilasha Upadhyay, Ms. Sneha Soly, Ms. Kruti Paradkar, Mr. Vishal Vora, Dr. Pavan Karkare, late Mr. Yogesh Chamkure, Dr. Sofiya Shaikh, Dr. Sneha Singh, Dr. Dikin Patel, Dr. Ravi Vithalani,** for the stimulating discussions, and for all the fun we have had in the lab.*

*I've had the pleasure to working with **Urvi, Brijesh, Hemil, Smita, Shrujal, Sagar, Darshana, Komal, Vishwajit, Saurav** over the course of my Ph.D. studies as well as the superb dissertation students **Darshil, Priya, Nikita, Megha, Mayur, Ratna, Riya, Shraddha, Vibhuti, Sidra, Gaurang, Dhanraj, Manthan,** who had joined me for a short span of time in the lab.*

*I would like to thank Sophisticated Analytical Instrumentation Facility at **Panjab University Chandigarh** for providing **PMR** and ^{13}C **NMR** spectra and **IIT-Ropar** for **HRMS** analysis.*

*My sincere thanks to Dean, Faculty of Technology and Engineering, The M. S. University of Baroda, for providing the facilities for research. Special thanks are extended to acknowledge **Prof. A. V. Bedekar, Prof. N. D. Kulkarni, Prof. S. R. Shah,** Department of Chemistry, Faculty of Science, The M. S. University of Baroda, and **Mr. Raju Patil** from Transpek Ind. Ltd. for their help in instrumental analysis during my research work. I would also like to thank **Dr. Rohit Soni** from Advait Pharmachem for his support during this study.*

*In addition, I have been very privileged to get to know **Mr. Atul Kant Tiwari,** who became my best friend during this course of time in Baroda. He helped me a lot in in every promising way.*

*I'm extraordinarily fortunate to have friends like **Mr. Prashant Lashkari, Mr. Bhavik Joshi, Mr. Akash Joshi,** and **Mr. Kevin Chudasama** for being there to support me and comfort me whenever I had difficulties, cheered me on, and celebrated each accomplishments during my research journey.*

*I would also like to thank all the **staff members** of Library, Administration, Glass blowing, and Security for rendering their help during my work.*

*I want to convey my respect to all my **teachers** who played a crucial role in framing my approach towards science and life in general.*

***Many people** have contributed towards the successful completion of this research work, it would be incomplete without giving due credit to them. So, I express my sincere thanks to all those who directly or indirectly helped me in various capacities that lead to the completion of this doctoral thesis work, as well as expressing my apology to all whom I missed to mention personally.*

*I consider myself the luckiest in the world to have such a lovely and caring family, standing beside me with their love and unconditional support. My deepest gratitude and indebtedness belongs my parents, **Mr. Jitendrakumar Bhatt** and **Mrs. Asha Bhatt** for their unconditional love, trust, encouragement, and endless patience. It was their love that raised me up again when I got weary. I am also thankful to my younger brother **Mr. Ravi Bhatt** and younger sister **Ms. Nidhi Bhatt** for their constant love and affection. I would like to convey my heartfelt regards to my family member **Ms Megha Shah** for her constant moral support. They have pushed me to be a better person, and have taught me to get more out of life than I would have on my own. They stood out with their faith in me and helped me to finish my study and I am very proud of making our dream come true. At this occasion, I fondly remember my Grandparents, late **Mr. Mansukhlal Bhatt** and late **Mrs. Hasumatiben Bhatt** for always showering me with their blessings from heaven above.*

*Finally, I would like to thank **Almighty God**, for granting me countless blessings, courage, good health, patience and knowledge, so that I could finally be able to accomplish the thesis.*
