

ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my research guide Dr. N. L. Singh for his valuable guidance, admirable patience and constant inspiration to me during my research study. Especially his encouragement and constructive suggestions have provided me an insight into the intricacies of experimentation involved in the work.

I express my indebtedness to Prof. D.R.S.Somayajulu, Head, Physics Department, Faculty of Science, M.S.University, for providing excellent facilities during the course of these investigations. I also express my sincere regards to Prof. S.K.Shah and Dr. (Ms) M. S. Shah (retd.) for their encouragement during my research work.

I am greatly indebted and thankful to Dr.Bikash Sinha, Director VECC, Calcutta and Dr. S.N. Chintalapudi , Director, IUC-DAEF, Calcutta for the nice facilities made available to me at Variable Energy Cyclotron Centre (VECC), Calcutta and IUC-DAEF, Calcutta Centre, India. I am thankful to the entire staff of VECC and IUC-DAEF who made my stay there comfortable. I am really grateful to Dr.V.S.Pandit and the Cyclotron crew for their efforts in successful cyclotron operation and completion of experimental programme.

I would like to express my special thanks to Prof. V. N. Potbhare for stimulating discussions and help during the course of this work.

I also wish to record the kind cooperation given by the staff of the Department of Physics and extend my sincere thanks to all.

I am also grateful to my co-researcher Mr.Manish Gadkari and Mr.H.B. Patel for their assistance through out the course of present study.

I take this opportunity to express my thanks to my colleagues Mr.Keyur Vyas, Mr.Harsh Panchal, Mr.Naresh Patel, Mr.Mitesh Sarkar, Mr.Balkrishna Shah, Mr.Pushpendra Tripathi, Dr.Sandip Vyas, Mr.Pruthviraj Soni, Mr.Saurabh Bhavsar, Mr.Kamal Shah, Ms.Aruna Bajpai and Ms.Sumit Dhar, for extending their kind cooperation at various stages throughout this work.

I have no words to express my thanks to my family members. It would have been impossible for me to continue my research work without their encouragement and help.
